Walk in a Relaxed Manner Joyce Rupp, 2011-12-06 Experience the powerful prose and poetry of Joyce Rupp with the beautiful full color art of Mary Southard [The Only Mind Worth Having](#) Gardner Fiona, 2016-11-24 In *The Only Mind Worth Having* Fiona Gardner takes Thomas Merton's belief that the child mind is the only mind worth having and explores it in the context of Jesus' challenging paradoxical and enigmatic command to become like small children She demonstrates how Merton's belief and Jesus' command can be understood as part of contemporary spirituality and spiritual practice To follow Christ's command requires a great leap of the imagination Gardner examines what it might mean to make this leap when one is an adult without it becoming sentimental and mawkish or regressive and pathological Using both psychological and spiritual insights and drawing on the experiences of Thomas Merton and others Gardner suggests that in some mysterious and paradoxical way recovering a sense of childhood spirituality is the path towards spiritual maturity The move from childhood spirituality to adulthood and on to a spiritual maturity through the child mind is a move from innocence to experienced to organized innocence or from dependence to independence to a state of being in dependence with God
