Berea,2023-12-04 One of the Great Reset s goals is to destroy foundational beliefs and make us fearful so we depend more on government and in the process we are losing more personal freedom because of their increased regulations The News seems to convey everything as a crisis but what is important to us doesn t seem to be a crisis to news reporters or the government Rioting has caused much damage in some cities Some district attorneys verbally attack the police methods and they want to prosecute them for doing their job to protect citizens Global warming is presented as a crisis but the Bible says summer and winter will continue as long as the earth remains Because many people believe in evolution and others feel God if He exists has deserted this world nothing seems definite that we can count on We feel isolated and unsafe crime has increased People are looking for a leader who will bring peace and safety Many different things have been said about what will happen at the end of this world and Armageddon and in this book you will learn what the Bible actually says about it The Lord sent His words through the prophets to be recorded for us and the books of Daniel and Revelation have some future events told to us in symbols If you were ever curious and wanted a comprehensive understanding of the meaning of what will happen the symbols and the timeline are explained in detail with the Bible verses to confirm what is written These questions are answered by the Bible What is the tribulation and how long does it last Did the Bible give us exact days What event will start the tribulation period What happens during it Did God provide an escape What is the Rapture What happens after Armageddon Because the meaning of the two books have been sealed and kept secret important Bible verses have been

overlooked and personal beliefs caused more than one misinterpretation Now they are unsealed and revealed because we are in the time period which will bring the return of Jesus Christ our Savior
