Angel Fire Collection Marie Johnston, 2022-03-24 A team of warrior angels A realm in danger Mates in trouble Three books that kick off a paranormal romance series Angel Fire Bryant would rather chew his wings off than get mated but orders are orders He s been erratic in the field taking unnecessary risks and is cranky with his team His boss hopes a mate will stabilize him But Bryant understands what the rest of the realm won t admit His face full of scars makes him nightmare material not mate material for a realm full of vain angels When an ethereally gorgeous female accepts his request Bryant is leery Then he learns who Odessa really is the daughter of the man responsible for his injuries But when Odessa s attacked Bryant has to get over his resentment Because he s the only thing between her and death and together they might be able to save their realm Wicked Fire Jagger Hancock is a fearsome warrior for the angelic realm slaying demons left and right on Earth and protecting the human race But when a powerful senator is murdered he s reduced to acting as a bodyguard for the grieving daughter Too bad she s the same female who ruined his one and only chance at happiness Felicia Montclair looks as angelic as the rest of her kind but she hides her scars well Yet the male who gave them to her is not just after her again but seeking conquest over the entire realm too While her life goes up in flames once more the last thing she needs is a cranky bodyguard even if he s the only one who can keep her alive Jagger and Felicia might not survive each other much less the constant attacks from their enemies But when danger drives them back to the angelic realm they ll discover their past is waiting for them and it s far more dangerous than anything on Earth Demon Fire She betrayed her kind and was exiled from her realm When Sierra is dumped in a snowy forest before an impending blizzard that should be the end of the newly fallen angel Boone wanted isolation He wanted peace He wanted to be left the hell alone But a last minute trip before he s stormed in for days turns up more than spare wood and a rabbit in his snare He finds an unconscious and bloody woman Sierra s realm might have erased her existence but that doesn t mean she s been forgotten by those who want to use her for their own means Demons have found her and sticking around puts Boone at risk the one man who makes her think she might deserve more than shame
