R. Ford,2014-06-25 Present day England has a secret A government organisation is making use of a specific breeding programme developed in order to create beings with bewildering mutant abilities weapons that can be used on the streets of England by the military or even by a clandestine department within the police force Morgan is a man who has encountered mutants before and has taken it upon himself to eliminate mutantkind But it isn't just a desire to kill mutants it's more than that he is driven to eradicate what he perceives as evil A young woman rescued by him becomes integral to the cause even though she doubts its purpose As the dangers grow so do Morgan's skills and this in turn gives him cause to become uneasy Just when he least expects it help he does not seek or desire comes from an unexpected source But with success comes loss *Fan CULTure* Kristin M. Barton,Jonathan Malcolm Lampley,2013-11-21 Fan CULTure explores how present day fans interact with the films television shows books and pop culture artifacts they love From creating original works of fanfiction to influencing the content of major primetime series through social media fans are no longer passive consumers They have evolved into active participants in creating and shaping these works The all new essays in this collection provide in depth analyses of how fans interact with such popular franchises as Harry Potter Lost Supernatural Lord of the Rings and Joss Whedon's Serenity and examines as well topics not based on media like fans of LEGO building blocks Disneyland and NFL quarterback Tim Tebow *Shadow Year* Hannah Richell,2025-05-01 From the internationally bestselling author of The House of Tides a psychologically gripping novel about a group of college graduates who decide to live off the grid and the consequences for their lives Still grieving the death of her prematurely delivered infant Lila finds a welcome distraction in renovating a country house she's recently inherited Surrounded by blueprints and plaster dust though she finds herself drawn into the story of a group of idealistic university grads from thirty years before who'd thrown off the shackles of bourgeois city life to claim the cottage and rely only on each other on the land But utopia building can be fraught with unexpected peril and when the fate of the group is left

eerily unclear Lila turns her attention to untangling a web of secrets to uncover the shocking truth of what happened that fateful year in order to come to terms with her own loss and build a new future for herself Suspenseful and moving with a deep secret at its heart *The Shadow Year* is Hannah Richell's breakout book
