Darkness Visible A Study Of Vergils Aeneid

Edan Dekel

Darkness Visible A Study Of Vergils Aeneid:

Darkness Visible W.R. Johnson, 2015-01-20 One of the best books ever written on one of humanity's greatest epics W R Johnson's classic study of Vergil's Aeneid challenges centuries of received wisdom Johnson rejects the political and historical reading of the epic as a record of the glorious prehistory of Rome and instead foregrounds Vergil's enigmatic style and questioning of the heroic myths With an approach to the text that is both grounded in scholarship and intensely personal and in a style both rhetorically elegant and passionate Johnson offers readings of specific passages that are nuanced and suggestive as he focuses on the somber and nourishing fictions in Vergil's poem A timeless work of scholarship *Darkness Visible* will enthrall classicists as well as students and scholars of the history of criticism specifically the way in which politics influence modern readings of the classics and of poetry and literature *Darkness Visible* Walter Ralph Johnson, 1976

Virgil's Homeric Lens Edan Dekel, 2012-01-25 This book examines the ways in which Virgil's Aeneid uses Homer's Odyssey both as a conceptual model for writing an intertextual epic and as a powerful refracting lens for the specific interpretation of the Iliad and its consequences *Virgil* Philip Hardie, 1998-07-02 Virgil by Philip Hardie revisits the topics of the first New Survey in the Classics published in 1967 This latest Survey explores how literary approaches have changed over the last thirty years with individual chapters on Eclogues Georgics and The Aeneid and style **The Cambridge Companion to Virgil** Charles Martindale, 1997-10-02 Virgil became a school author in his own lifetime and the centre of the Western canon for the next 1800 years exerting a major influence on European literature art and politics This Companion is designed as an indispensable guide for anyone seeking a fuller understanding of an author critical to so many disciplines It consists of essays by seventeen scholars from Britain the USA Ireland and Italy which offer a range of different perspectives both traditional and innovative on Virgil's works and a renewed sense of why Virgil matters today The Companion is divided into four main sections focussing on reception genre context and form This ground breaking book not only provides a wealth of material for an informed reading but also offers sophisticated insights which point to the shape of Virgilian scholarship and criticism to come *Virgil and His Translators* Susanna Morton Braund, Zara M. Torlone, 2018 Transcending traditional studies of single translations or particular translation traditions in isolation this is the first volume to offer a critical overview of Virgil's influence on later literature through the translation history of his poems from the early modern period to the present day and throughout Europe and beyond *Spenser and Virgil* Syrithe Pugh, 2016-10-07 Dubbed the English Virgil in his own lifetime Spenser has been compared to the Augustan laureate ever since He invited the comparison expecting a readership intimately familiar with Virgil's works to notice and interpret his rich web of allusion and imitation but also his significant departures and transformations This volume considers Spenser's pastoral poetry the genre which announces the inception of a Virgilian career in The Shepheardes Calender and to which he returns in Colin Clouts Come Home Againe throwing the Virgilian career into reverse His sustained dialogue with Virgil's Eclogues bewrays at once a profound debt to

Virgil and a deep seated unease with his values and priorities not least his subordination of pastoral to epic Drawing on the commentary tradition and engaging with current critical debates this study of Spenser s interpretation imitation and revision of Virgil casts new light on both poets and on the genre of pastoral itself **Volume 3: Kierkegaard and the Roman**

World Jon Stewart,2016-12-05 While Kierkegaard s use of the Greek authors particularly Plato and Aristotle has attracted considerable attention over the years his use of the Roman authors has by contrast remained sadly neglected This neglect is somewhat surprising given the fact that Kierkegaard was extremely well read in Latin from his early youth when he attended the Borgerdyd School in Copenhagen Kierkegaard s interest in the Roman authors is perhaps best evidenced by his book collection In his private library he had a long list of Latin titles and Danish translations of the standard Roman authors in any number of different genres His extensive and frequent use of writers such as Cicero Horace Terence Seneca Suetonius and Ovid clearly warrants placing them in the select group of his major sources The chapters in this volume demonstrate that Kierkegaard made use of the Roman sources in a number of different ways His readings from the Borgerdyd school seem to have stuck with him as an adult He constantly refers to Roman authors such as Livy Nepos and Suetonius for colourful stories and anecdotes In addition he avails himself of pregnant sayings or formulations from the Roman authors when appropriate But his use of these authors is not merely as a rhetorical source He is also profoundly interested in the Roman philosophy of Cicero Seneca and Marcus Aurelius Similarly just as he is fascinated by Tacitus portrayal of the early Christians so also he is amused by the humour of Terence and Apuleius In short the Roman authors serve to enrich any number of different aspects of Kierkegaard s authorship with respect to both content and form *The Commerce of War*

Neil Coffee,2009-08-01 Latin epics such as Virgil s Aeneid Lucan s Civil War and Statius s Thebaid addressed Roman aristocrats whose dealings in gifts favors and payments defined their conceptions of social order In *The Commerce of War* Neil Coffee argues that these exchanges play a central yet overlooked role in epic depictions of Roman society Tracing the collapse of an aristocratic worldview across all three poems Coffee highlights the distinction they draw between reciprocal gift giving among elites and the more problematic behaviors of buying and selling In the Aeneid customary gift and favor exchanges are undermined by characters who view human interaction as short term and commodity driven The Civil War takes the next logical step illuminating how Romans cope once commercial greed has supplanted traditional values Concluding with the Thebaid which focuses on the problems of excessive consumption rather than exchange Coffee closes his powerful case that these poems constitute far reaching critiques of Roman society during its transition from republic to empire **Communication, Love, and Death in Homer and Virgil**

Stephen Ridd,2017-08-24 Homer s Iliad and Odyssey and Virgil s Aeneid are three of the most important and influential works of Western classical literature Although they differ in subject matter and authorship these epic poems share a common purpose to tell the deeds both of men and of the gods Written in an accessible style and ideally suited for classroom use *Communication Love and Death in Homer and Virgil* offers

a unique comparative analysis of these classic works As author Stephen Ridd explains the common themes of communication love and death respond to deeply ingrained human needs and are therefore of perennial interest Presenting select passages from the original Greek and Latin texts translated here into modern English Ridd explores in detail how the characters within the poems communicate on these subjects with one another as well as with the reader Individual chapters focus on subjects such as the traditions of singing and storytelling relationships between sons and mothers the role of Helen of Troy and her ties to the men in her life and communication with the dead Throughout his analysis Ridd treats the three poems on an equal basis revealing similarities and differences in their handling of prevalent themes By introducing readers to a new way of reading these abiding classics *Communication Love and Death in Homer and Virgil* enhances our appreciation of the imaginative world of ancient Greek and Roman epic poetry

Thank you very much for downloading **Darkness Visible A Study Of Vergils Aeneid**. Most likely you have knowledge that, people have look numerous time for their favorite books subsequently this Darkness Visible A Study Of Vergils Aeneid, but end going on in harmful downloads.

Rather than enjoying a good ebook subsequent to a mug of coffee in the afternoon, otherwise they juggled in the manner of some harmful virus inside their computer. **Darkness Visible A Study Of Vergils Aeneid** is clear in our digital library an online entrance to it is set as public therefore you can download it instantly.
