Career Upgrade Roadmap Days Better:

The Career Upgrade Roadmap Olivia Gamber, 2015-12-02 If I asked you right now could you define what your ideal job is on a piece of paper Are you where you visualized you would be when you graduated college Or have you hit a period of stagnant career growth and a perceived lack of opportunity Unfortunately many skilled people today settle for less than they deserve They have accepted the status quo of being underemployed working in jobs that don't excite them and getting paid less than what they are worth The goal for every employee should be to find a job that makes you excited to wake up every day and a job where you are constantly engaged in your work If you haven't achieved that then ask yourself Why not use a proven approach and move towards the lifestyle you want and deserve My innovative and actionable book will provide you with a methodical practical and tested strategy to identify your next career move and make it a reality 80% of job openings are never advertised and these are often the best opportunities With this book you will learn techniques to reach hiring managers at the most desirable companies and start laying the groundwork to find job leads before they are posted In addition I will teach you the latest job search strategies using tools like LinkedIn to create your own opportunity instead of waiting for opportunity to come to you In this How To guide I will give you Tools to market yourself like a business and stand out from the competition Tactics to network like an expert even if you don't already have a strong professional network Strategies to get raises and promotions that you can leverage for the rest of your life Plus A free complimentary workbook full of word for word scripts resource guides and much more Step by step this book reveals the process I created and refined over and over with my clients to create the work and life you love in 90 days Ask yourself 90 days from today will you be closer to the job you love With this book you will
