you All of these are aspects of personal abundance Prosperity and abundance is available to anyone who has the consciousness and ability to attract all that their heart desires Your prosperity and abundance is only limited by your imagination One of the most important elements of successful manifestation is blind faith It s essential to believe that you re going to achieve something that isn t currently physically present For people new to prosperity work this can be the toughest part I dare you to dream and believe Who knows what you will manifest **Instant Cosmic Ordering** Barbel
