education system and provides detailed instructions and diagnostic tests for use by parents **Boomer1** Daniel Torday,2018-09-18 Torday is a singular American writer with a big heart and a real love for the world He has the rare gift for writing dynamic action scenes while being genuinely funny George Saunders Bluegrass musician former journalist and editor and now PhD in English Mark Brumfeld has arrived at his thirties with significant debt and no steady prospects His girlfriend Cassie a punk bassist in an all female band who fled her Midwestern childhood for a new identity finds work at a new media company When Cassie refuses his marriage proposal Mark leaves New York and returns to the basement of his childhood home in the Baltimore suburbs Desperate and humiliated Mark begins to post a series of online video monologues that critique Baby Boomers and their powerful hold on the job market But as his videos go viral and while Cassie starts to build her career Mark loses control of what he began with consequences that ensnare them in a matter of national security Told through the perspectives of Mark Cassie and Mark s mother Julia a child of the 60s whose life is more conventional than she ever imagined Boomer1 is timely suspenseful and in every line alert to the siren song of endless opportunity that beckons and beguiles all of us

On the Grid Luke Smith,2025-02-13 The air is thick with sweat engine fumes and the smell of heated tyre rubber as the sky turns orange the sun over the Bahraini desert beginning to set Then out go the lights on the grid The wheels spin the engines roar loud the crowd even louder and the cars speed away But what happens on the track is only a tiny part of the story Whether you re a seasoned fan who hasn t missed a grand prix in decades or a newcomer to F1 I want to show you why this is a sport a way of life even like nothing else on the planet Formula 1 might only have twenty drivers in its most elite competition but each is supported by a world class team of mechanics engineers strategists party planners and

much more In On the Grid journalist Luke Smith takes us behind the scenes of the past present and future of the sport telling its story through the eyes of the people who create it including the all important fans We see thrilling drama cutting edge technology the stress and the glamour Smith takes us to the starting grid full of engine fumes and sweat to yacht parties in Monaco and to the pit lane for the critical mid race decisions We see how a fifty pence screw in the wrong place could cause a 15m car to break down how F1 has influenced not just the cars we drive but life saving medical equipment and even croissants how you create a Grand Prix track from scratch On the Grid shows us what it s like to work in a high pressure and inherently dangerous sport showcases the personalities that give it such drama and intrigue examines how the sport is addressing its critics around inclusivity and environmental impact For both long time fans and newcomers what results is the definitive access all areas account of what makes F1 stand alone in world sport **The Coming Jobs War** Jim

Clifton,2013-09-16 Definitive leadership strategy for fixing the American economy drawn from Gallup s unmatched global polling and written by the company s chairman What everyone in the world wants is a good job This is one of the most important discoveries Gallup has ever made says the company s Chairman Jim Clifton In a provocative book for business and government leaders Clifton describes how this undeniable fact will affect all leadership decisions as countries wage war to produce the best jobs Leaders of countries and cities Clifton says should focus on creating good jobs because as jobs go so does the fate of nations Jobs bring prosperity peace and human development but long term unemployment ruins lives cities and countries Creating good jobs is tough and many leaders are doing many things wrong They re undercutting entrepreneurs instead of cultivating them They re running companies with depressed workforces They re letting the next generation of job creators rot in bad schools A global jobs war is coming and there s no time to waste Cities are crumbling for lack of good jobs Nations are in revolt because their people can t get good jobs The cities and countries that act first that focus everything they have on creating good jobs are the ones that will win The Coming Jobs War offers a clear brutally honest look at America s biggest problem and a cogent prescription for solving it *More Human* Steve Hilton,Scott

Bade,Jason Bade,2016-04-26 People feel angry and let down by their leaders as well as by the institutions that dominate their lives political parties government bureaucracy and corporations Yet the cause of this malaise according to political advisor turned tech CEO Steve Hilton is not being addressed by politicians on the left or the right Hilton argues that much of our daily experience from the food we eat to the governments we elect to the economy on which our wealth depends to the way we care for our health and well being has become too big too bureaucratic and too distant from the human scale *More Human* sets out a radical manifesto for change aimed at the root causes of our problems rather than just the symptoms Whether it s using the latest advances in neuroscience to inform the fight against poverty and inequality or applying lessons from America s most radical schools to transform our children s education this book is an agenda for rethinking and redesigning the outdated systems and structures of our politics government economy and society to make them more suited

to the way we want to live our lives today To make them more human **Dun's Regional Business Directory ,2006**

Hostile Takeover David Sirota,2007-05-22 Do you ever wonder if there s a connection between the corruption scandals in the news and the steady decline in the quality of life for millions of Americans Do you ever wonder what corporations get for the millions of dollars they pour into the American political system Do you ever think the government has been hijacked by forces hostile to average Americans Do you ever want to fight back Millions of Americans lack health care and millions more struggle to afford it Politicians claim they care then pass legislation that just sends more cash to the HMOs Wages have been stagnant for thirty years even as corporate profits skyrocket Politicians say they want to fix the problem and then pass bills written by lobbyists that drive wages even lower and punish those crushed by debt Jobs are being shipped overseas pensions are being cut and energy is becoming unaffordable And our government more concerned about maintaining its corporate sponsorship than protecting its citizens does nothing about it In Hostile Takeover David Sirota a major new voice in American politics seeks to open the eyes of ordinary Americans to the fact that corporate interests have undermined democracy aided and abetted by their lackeys in our allegedly representative government At a time when more and more of America s major political leaders are being indicted or investigated for corruption Sirota takes readers on a journey that shows how all of this nefarious behavior happened right under our noses and how the high profile scandals are merely one product of a political system and debate wholly owned by Big Money interests Sirota considers major public issues that feel intractable like spiraling health care costs the outsourcing of jobs the inequities of the tax code and out of control energy prices and shows how in each case workable solutions are buried under the lies of lobbyists the influence of campaign cash and the ubiquitous spin machine financed by Big Business With fiery passion pinpoint wit and lucid analysis Hostile Takeover reveals the true enemies of reform and their increasingly sophisticated and hostile tactics It s an essential guidebook for those of us tired of the government selling us out and determined to take our country back Also available as an eBook

The Top Books of the Year Costco Great America Tickets The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Costco Great America Tickets : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
