Coup De Foudre A Novella And Stories:

Coup de Foudre Ken Kalfus, 2015-05-12 The explosive new collection by the celebrated author of *Thirst* and PEN Faulkner Award finalist *Pu 239* and *Other Russian Fantasies* *Coup de Foudre* is the kind of groundbreaking work of literary invention Ken Kalfus's fans have come to expect The book is anchored by the full text of the provocatively topical title novella that appeared in *Harper's* a sometimes farcical ultimately tragic story about the president of an international lending institution accused of sexually assaulting a housekeeper in a New York hotel Recalling recent news events with irony and compassion Kalfus skewers international political gridlock and the hypocrisies of acceptable sexual conduct In *The Moment They Were Waiting For* a murderer on death row casts a spell granting the inhabitants of his city the foreknowledge of the dates they will die In *v The Large Hadron Collider* a judge distracted by the faint possibility of an adulterous affair must decide whether to throw out a nuisance lawsuit that raises the even fainter possibility that the entire Earth may be destroyed *The Un* is a nostalgic story of a young writer's struggles as he tries to surmount the colossal heavily guarded wall that apparently separates writers who have been published from those who have not Varying boldly in theme setting and tone the stories in *Coup de Foudre* share Kalfus's distinctive humor and intellect inextricably bound with high literary ambition

Coup de Foudre Ken Kalfus, 2015-05-12 From National Book Award finalist Ken Kalfus fifteen adventurous new intellectual comedies featuring a title novella ripped from the headlines **2 A.M. in Little America** Ken Kalfus, 2023-08-10 As Americans flee widespread civil conflict one young refugee ekes out a living in a suspenseful darkly comic novel An important writer in every sense David Foster Wallace *An* *Esquire* Best Book of Spring 2022 *A Literary Hub* Most Anticipated Book of 2022 *A San Francisco Chronicle* Most Anticipated Novel of 2022 In the future sweeping civil disorder has forced America's young people to flee its borders into an unwelcoming world One such American is Ron Patterson who finds himself on distant shores working as a repairman and sharing a room with other refugees In an unnamed city wedged between ocean and lush mountainous forest Ron can almost imagine a stable life for himself Especially when he makes the first friend he's had in years a mysterious migrant named Marlise who bears a striking resemblance to a onetime classmate Nearly a decade later after anti migrant sentiment has put their whirlwind intimacy and asylum to an end Ron is living in *Little America* an enclave of migrants in one of the few countries still willing to accept them Here among reminders of his past life he again begins to feel that he may have found a home He adopts a stray dog observes his neighbors and lands a new repairman job that allows him to move through the city quietly But this newfound security too is quickly jeopardized as resurgent political divisions threaten the fabric of *Little America* Tapped as an informant against the rise of militant gangs and contending with the appearance of a strangely familiar woman Ron is suddenly on dangerous and uncertain ground Brimming with mystery suspense and Ken Kalfus's distinctive comic irony *2 A M in Little America* poses questions vital to the current moment What happens when privilege is reversed Who is watching and why How do tribalized politics disrupt our ability to distinguish

what is true and what is not This is a story for our time gripping unsettling prescient by an acclaimed National Book Award finalist My favorite book by one of America's great living writers Jonathan Safran Foer A provocative dystopian story takes hold of the reader Publishers Weekly A highly readable taut novel The New York Times Book Review One of contemporary literature's best kept secrets Esquire

On Risk Mark Kingwell, 2020-10-13 With COVID 19 comes a heightened sense of everyday risk How should a society manage distribute and conceive of it As we cope with the lengthening effects of the global COVID 19 pandemic considerations of everyday risk have been more pressing and inescapable In the past everyone engaged in some degree of risky behaviour from mundane realities like taking a shower or getting into a car to purposely thrill seeking activities like rock climbing or BASE jumping Many activities that seemed high risk such as flying were claimed basically safe But risk was and always has been a fact of life With new focus on the risks of even leaving the safety of our homes it's time for a deeper consideration of risk itself How do we manage and distribute risks How do we predict uncertain outcomes If risk can never be completely eliminated can it perhaps be controlled At the heart of these questions which govern everything from waking up each day to the abstract mathematics of actuarial science lie philosophical issues of life death and danger Mortality is the event horizon of daily risk How should we conceive of it

Mythological Narratives Anna Lefteratou, 2017-12-04 This book is about the bold beautiful and faithful heroines of the Greek novels and their mythical models such as Iphigenia Phaedra Penelope and Helen The novels manipulate readerly expectations through a complex web of mythical variants and constantly negotiate their adventure and erotic plot with that of traditional myths becoming thus part of the imperial mythical revision to which they add the prospect of a happy ending

Writing Talk Alex Hamilton, 2012 In his long career in literary journalism Alex Hamilton has probably met and talked in depth to more of our great writers than anyone else from the most critically acclaimed to the most hard nosed bestsellers from novelists to cartoonists and in every genre from Thrillers and Whodunnits to Short Stories from Poetry to Science Fiction This selection from a life's work gives us a stimulating and rare insight into the minds and lives of some of the most fascinating creators of our modern culture It's a book that contains many surprises in the revelations given by some

of the authors about their struggles and victories the serious or humorous commitments made by them and their addiction to the kind of fiction they like to write The reader will soon realise that no two of these eighty five featured authors such as Kurt Vonnegut Angela Carter Stephen King Daphne du Maurier Ian McEwan Jorge Luis Borges Graham Greene or Margaret Atwood are alike Splendidly informative and serious Writing Talk is also often very funny a book to dip into as the mood takes or to dive into hungrily It will appeal to those with a passion for books and for the people who have written them I ve been fortunate to talk to so many marvellous writers Gathering some of these conversations into a book rather than their brief life in a daily newspaper offers a chance for readers to share my pleasure and to introduce a new generation to some past greats says Alex Hamilton behind his reason to create Writing Talk

Naremore,2021-03-25 James Naremore s study of Max Ophuls classic 1948 melodrama Letter from an Unknown Woman not only pays tribute to Ophuls but also discusses the backgrounds and typical styles of the film s many contributors among them Viennese author Stephan Zweig whose 1922 novella was the source of the picture producer John Houseman an ally of Ophuls who nevertheless made questionable changes to what Ophuls had shot screenwriter Howard Koch music composer Dani le Amfitheatrof designers Alexander Golitzen and Travis Banton and leading actors Joan Fontaine and Louis Jourdan whose performances were central to the film s emotional effect Naremore also traces the film s reception history from its middling box office success and mixed early reviews exploring why it has been a work of exceptional interest to subsequent generations of both aesthetic critics and feminist theorists Lastly Naremore provides an in depth critical appreciation of the film offering nuanced appreciation of specific details of mise en scene camera movement design sound and performances integrating this close analyses into an overarching analysis of Letter s recognition plot a trope in which the recognition of a character s identity creates dramatic intensity or crisis Naremore argues that Letter s use of recognition is one of the most powerful in Hollywood cinema and contrasts it with what we find in Zweig s novella
