Marriage Curt Hamner, John Trent, Rebekah J. Byrd, Eric L. Johnson, Erik Thoennes, 2018-11-06 Never has the sacred covenant of marriage been more maligned than it is today It can be difficult to know how to respond to a culture that is becoming more and more antagonistic to biblical beliefs about marriage

And this is a topic worth getting right Marriage was given to us as a picture of the triune God in relationship with his people which means what we believe about marriage is indissolubly tied to what we believe about God and his creating and saving purposes Therefore it is more important now than ever that we think theologically and carefully about what marriage is and how we live faithfully in it Marriage Its Foundation Theology and Mission in a Changing World is the much needed work on marriage for this generation and the next Rooted in a scriptural understanding of marriage it thoughtfully engages the issues surrounding marriage being debated today and lays the groundwork for the crucial conversations of our day Each section contains chapters from trusted theologians as well as experienced practitioners who work with couples daily Rediscover the beauty of God s design for marriage and be strengthened to stand firm amidst any challenges the world may bring

Paths of Liberation Bakole Wa Ilunga, 2015-09-29 I was born in 1920 in a little country village in the former Belgian Congo I was eight years old at the time the day the first white man visited our isolated village He was a Catholic missionary It was through him and many other priests catechists and teachers that I came to know deeply Jesus Christ who has shown me the path of true liberation My people live in a situation of extreme underdevelopment wretchedness and exploitation My experience as a Christian and a pastor has taught me that our pastoral and evangelizing work should offer persons a total development rooted in the Good News of Jesus Christ One is not possible without the other This is what I have tried to explain in Paths of Liberation Of course too the path Jesus assigns us for the liberation of society from the evils that afflict it is not the shortest of paths It is not enough to make surface changes and the path leads through the heart of the human person which Jesus wishes to change And the human heart is not to be changed in a day But this longer path is also the most effective and the most realistic for only thus do we attack the evil in its roots Have we not found that at the core of all problems is always sin It is precisely from this sin in the human heart that Jesus liberates us by guiding us on the path of continual conversion and uncalculating love

What You Need to Know and Do as a Human Being Joseph Ngoma , 2025-10-16 A Call to Reflect and Act In What You Need to Know and Do as a Human Being we ve journeyed through the essential aspects of life that define who we are and how we fulfill our roles in the world At the heart of these discussions is the family God s divine institution designed to reflect His love and authority on Earth This book invites you to embrace your role within your family and understand the spiritual significance of marriage parenthood and identity From the sacred nature of marriage as a covenant to the responsibilities of parenthood and family management this book encourages a return to biblical principles and the values that strengthen our homes It challenges the growing cultural trends that undermine the family and provides practical guidance on how to overcome the challenges of broken homes divorce and irresponsible behavior Most importantly it reminds us that our roles within the family are not passive but active We are called to nurture protect and grow together reflecting God s love truth and authority in all that we do As we embrace these truths we not only fulfill our personal calling but also participate in God s greater plan for humanity Let this book inspire you to reflect on your

own family dynamics and take intentional steps to build stronger more resilient relationships In doing so you ll contribute to a society that values the sanctity of the family and honors God s design True and Lasting Love Bernardo Leonard,2003 This is a must and essential book to have Le Meilleur the best There is power in the words and gestures of Bernardo It is impossible to read his work without being moved He pours himself out before you and in your own heart you experience immediate contact and warmth He transports you to a purer region from which dogmas and mysteries descend He loosened his words like arrows from the bow and his whole heart seems to fly with them The pathetic the profound the sublime are side by side with the simple and the ordinary What is most divine in the heart of a man cannot be expressed in writing Yet this writer did It has depth it convicts It causes one to re evaluate oneself Yet dira la verite est beate to tell the truth is beautiful Jean Paul Screenwrite Nice France A very thought provoking book to say the least As Bernardo Leonard points out with sometimes painful clarity there is no greater power on earth than love The merging of earthly Love and theological support of that Love is accomplished without undue and unnecessary presure to convert Instead the pressure exerted upon the reader is to think hence thought provoking As much as I tried to disagree with him on certain issues of forgiveness I knew in my heart that Bernardo was right We can fool some of the people some of the time fool all of the people all of the time but we can never fool ourselves at any time When you know the truth in your heart you know the truth Period To err is human to forgive is divine So much of humanity is so far removed from divine reading and digesting this book will bring them closer The reader can identify with each of Bernardo s Love filled and Love driven chapters because every human being is in search of ONE thing and only one thing LOVE Some run the race claiming it s money or fame they are after others claim this and still others claim that Every one of us understands that the reason we lives is to Love and be Loved Thank you Bernardo for putting these truths to paper Stan Brushwood Tucson Arizona Judaism Tzvi Novick,2025-02-27 An innovative introduction to Judaism and the Jewish people for Christian readers In this fascinating and highly original book Tzvi Novick introduces readers to foundational features of Jewish theology by explaining its similarities to and differences from Christian theology Novick also leads readers through the major milestones of Christian teaching about Jews and Judaism devoting particular attention to contemporary teachings and unsettled questions Each chapter includes helpful recommendations for further reading as well as detailed discussion questions making the book an outstanding resource for teaching In the introduction Novick eloquently conveys why a book like this is needed If Christians take themselves to have in some sense a common destiny with the Jewish people then they should understand who these fellow travelers are If the Church is committed to the notion that God s covenant with the Jewish people endures then Jewish responses to God can in principle be an important source of theological insight for Christians themselves This is a beautifully written book that contributes richly to interfaith dialogue and understanding
