Dancing With The Devil The Windsors And Jimmy Donahue:

Dancing with the Devil Christopher Wilson, 2014-06-17 The story of the Duke and Duchess of Windsor is one of the most romantic of all time Edward VIII abdicated his throne and gave up an empire so that he could marry the woman he loved American divorcee Wallis Simpson Very few people suspected and even fewer actually knew that the Duchess cuckolded him and almost gave him up for a gay playboy twenty years her junior Blond and slender Jimmy Donahue was the archetypal post war playboy He could fly a plane speak several languages play the piano and tell marvelous jokes People loved him for his wit charm and personality The grandson of millionaire Frank W Woolworth Jimmy knew he would never need to work Instead he set about carving for himself a career of mischief Some said evil Gay at a time when the homosexual act was still illegal Jimmy was notorious within America's upper class and loved to shock Though press agents arranged for him to be seen with female escorts his pursuits until he met the Duchess of Windsor were exclusively homosexual He was thirty five when he was befriended by the Duke and Duchess of Windsor in 1950 The Duchess was fifty four and despite the difference in age there was an instant attraction A burgeoning sexual relationship a perverse sort of love was formed between Jimmy and the Duchess Together with the Duke they became an inseparable trio the closest of friends As Jimmy had planned the royal couple became obsessed with him With information from surviving contemporaries *Dancing with the Devil* by Christopher Wilson is the extraordinary tale of three remarkable people and their unique and twisted relationship

The Windsor Knot Christopher Wilson, 2003 Theirs was a relationship that rocked the British monarchy Even after the death of Princess Diana the steadfast love between Prince Charles and Camilla Parker Bowles continues to fascinate us In *The Windsor Knot* one of Fleet Street's most experienced journalists gives you an inside look at one of the most infamous love triangles in history Branded as the other woman Camilla still shoulders the blame for the failure of Charles and Diana's fairytale marriage despite the fact that an apparent truce was made between mistress and princess in the last year of Diana's life Now locked in a perpetual struggle to gain acceptance from the British public and more importantly from the Royal Family Charles and Camilla persevere Tracing more than three decades of love passion and deception *The Windsor Knot* ties up all the loose ends of a liaison hidden in plain sight The Palace won't speak of it but Christopher Wilson tells all Book jacket

Mike Connolly and the Manly Art of Hollywood Gossip Val Holley, 2010-06-28 In 1954 Mike Connolly the gay gossip columnist for the *Hollywood Reporter* from 1951 to 1966 was described by *Newsweek* as probably the most influential columnist inside the movie colony the one writer who gets the pick of trade items the industry rumors the policy and casting switches He was indeed one of the most talented and influential members of the Hollywood press of his time and his column for those who could read between the lines was a daily chronicle of gay goings on Fifty years later his cumulative output is a virtually untapped lode of gay Hollywood history Mike Connolly's life and work are the focus of this book It considers his formative years his pre World War II life at the University of Illinois and in Chicago and the ways in which the homosexual community

in Hollywood lived lives both secretive and open in the forties fifties and sixties It also examines the literary merit power and newsworthiness of Connolly's Rambling Reporter column in the Hollywood Reporter and its significance as a chronicle of gay Hollywood life the previously unexplored role of Connolly's column in the Hollywood blacklist and how his anti Communist crusade was rooted in his earlier campaign to close down the brothels in his college town and how his life informed his column and his column shaped his life *The Man in the Brown Suit* James Parris,2019-11-06 On 16 July 1936 a man in a brown suit stepped from the crowd on London's Constitution Hill and pointed a loaded revolver at King Edward VIII as he rode past The monarch was moments from death But MI5 and the Metropolitan Police Special Branch had known for three months an attack was planned the man in the brown suit himself had warned them This mysterious man lost to history was George McMahon a petty criminal with a record of involvement with the police He was also an MI5 informant providing intelligence on Italian and possibly German espionage in Britain Dismissed by the rest of the world as a drunken loser and fantasist he saw his life as an epic drama Why did MI5 and the police fail to act Was it a simple blunder on the part of the security services or was something far more sinister involved In this first full length study of the threat to the life of Edward VIII James Parris uses material from MI5 and police files at the National Archives to reach explosive conclusions about the British Establishment's determination to remove Edward from the throne *The Natural History of the Rich* Richard Conniff,2012-07-23 A tantalizing droll study of the idiosyncratic existence of the very rich through the unexpected lens of the naturalist Journalist Richard Conniff probes the age old question Are the rich different from you and me and finds that they are indeed a completely different animal He observes with great humor this socially unique species revealing their strategies for ensuring dominance and submission their flourishes of display behavior the intricate dynamics of their pecking order as well as their unorthodox mating practices Through comparisons to other equally exotic animals Conniff uncovers surprising commonalities Madam Debby Applegate,2021-11-02 The compulsively readable and sometimes jaw dropping story of the life of a notorious madam who played hostess to every gangster politician writer sports star and Cafe Society swell worth knowing and who as much as any single figure helped make the twenties roar from the Pulitzer Prize winning author of *The Most Famous Man in America* A fast paced tale of Polly's many court battles newspaper headlines mobster dealings and society gossip A breathless tale told through extraordinary research The New York Times Book Review Simply put Everybody came to Polly's Pearl Polly Adler 1900 1962 was a diminutive dynamo whose Manhattan brothels in the Roaring Twenties became places not just for men to have the company of women but were key gathering places where the culturati and celebrity elite mingled with high society and with violent figures of the underworld and had a good time doing it As a Jewish immigrant from eastern Europe Polly Adler's life is a classic American story of success and assimilation that starts like a novel by Henry Roth and then turns into a glittering real life tale straight out of F Scott Fitzgerald She declared her ambition to be the best goddam madam in all America and succeeded wildly Debby Applegate uses Polly's story as the key to
