

James Eli Adams

Dandies And Desert Saints Dandies And Desert Saints

Serena Trowbridge

Dandies And Desert Saints Dandies And Desert Saints:

Dandies and Desert Saints James Eli Adams, 1995 1 Dandies and Prophets Spectacles of Victorian Masculinity 2 A Sort of Masonry Secrecy and Manliness in Early Victorian Brotherhoods 3 Imagining the Science of Renunciation Manhood and Abasement in Kingsley and Tennyson 4 Muscular Aestheticism Masculine Authority and the Male Body 5 Gentleman Dandy Priest Masks and Masculinity in Pater's Aestheticism Nineteenth-Century British Music Studies Peter Horton, Bennett Zon, 2019-05-23 Originally published in 2003 and selected from papers given at the third biennial conference on Music in Nineteenth Century Britain this volume in common with its two predecessors reflects the interdisciplinary character of the topic The introductory essay by Julian Rushton considers some of the questions that are key to this area of study what is the nineteenth century what is British music and did London influence the continent The essays that follow are divided into broad thematic groups covering aspects of gender church music national identity and local and national institutions This collection illustrates that while nineteenth century British music studies is still in its infancy as a field of research it is one that is burgeoning and contributing to our understanding of British social and cultural life of the period **An Introduction to Ford Madox Ford** Ashley Chantler, Rob Hawkes, 2016-05-23 For students and readers new to the work of Ford Madox Ford this volume provides a comprehensive introduction to one of the most complex important and fascinating authors Bringing together leading Ford scholars the volume places Ford's work in the context of significant literary artistic and historical events and movements Individual essays consider Ford's theory of literary Impressionism and the impact of the First World War illuminate The Good Soldier and Parade's End engage with topics such as the city gender national identity and politics discuss Ford as an autobiographer poet propagandist sociologist Edwardian and modernist and show his importance as founding editor of the groundbreaking English Review and transatlantic review The volume encourages detailed close reading of Ford's writing and illustrates the importance of engaging with secondary sources **United Islands? The Languages of Resistance** John Kirk, 2015-10-06 This is the first title in a new series called Poetry and Song in the Age of Revolution This series will appeal to those involved in English literary studies as well as those working in fields of study that cover Enlightenment Romanticism and Revolution in the last quarter of the eighteenth century **Masculine Figures** Nicholas Wolters, 2023-01-25 Based on years of archival research in Madrid and Barcelona this interdisciplinary study offers a fresh approach to understanding how men visualized themselves and their place in a nation that struggled to modernize after nearly a century of civil war colonial entanglement and imperial loss Masculine Figures is the first study to provide a comprehensive overview of competing models of masculinity in nineteenth century Spain and it is particularly novel in its treatment of Catalan texts and previously unstudied evidence e.g. department store catalogs commercial advertisements fashion plates and men's tailoring journals Fictional masculinity performs a symbolic role in representing and negotiating the contradictions male novelists often encountered in their attempts to professionalize not only as writers but also as

businessmen professors lawyers and politicians Through specific and recurring figures like the student the priest the businessman and the heir male novelists portray and represent an increasingly middle class world at odds with the values and virtues it inherited from an imperial Spanish past and those it imported from more industrialized nations like England and France The visual culture of the time and place marks the material turn in middle class masculinity and sets the stage for discussions of race and sexuality

Anti-Catholicism and Nineteenth-Century Fiction Susan M. Griffin, 2004-07-29
Griffin analyses anti Catholic fiction written between the 1830s and the turn of the century in both Britain and America

Conan Doyle Douglas Kerr, 2013-07-18 Conan Doyle Writing Profession and Practice approaches Conan Doyle s writing in terms of themes such as sport science crime and empire finding within it a complex and surprising interpretation of a late Victorian and early twentieth century world emerging into a troubling modernity

Bachelors, Manhood, and the Novel, 1850-1925 Katherine V. Snyder, 1999-09-02 Katherine Snyder s study explores the significance of the bachelor narrator a prevalent but little recognised figure in premodernist and modernist fiction by male authors including Hawthorne James Conrad Ford and Fitzgerald Snyder demonstrates that bachelors functioned in cultural and literary discourse as threshold figures who by crossing the shifting permeable boundaries of bourgeois domesticity highlighted the limits of conventional masculinity The very marginality of the figure Snyder argues effects a critique of gendered norms of manhood while the symbolic function of marriage as a means of plot resolution is also made more complex by the presence of the single man Bachelor figures made moreover an ideal narrative device for male authors who themselves occupied vexed cultural positions By attending to the gendered identities and relations at issue in these narratives Snyder s study discloses the aesthetic and political underpinnings of the traditional canon of English and American male modernism

Pre-Raphaelite

Masculinities Serena Trowbridge, 2017-07-05 Drawing on recent theoretical developments in gender and men s studies Pre Raphaelite Masculinities shows how the ideas and models of masculinity were constructed in the work of artists and writers associated with the Pre Raphaelite movement Paying particular attention to the representation of non normative or alternative masculinities the contributors take up the multiple versions of masculinity in Dante Gabriel Rossetti s paintings and poetry masculine violence in William Morris s late romances nineteenth century masculinity and the medical narrative in Ford Madox Brown s Cromwell on His Farm accusations of perversion directed at Edward Burne Jones s work performative masculinity and William Bell Scott s frescoes the representations of masculinity in Pre Raphaelite illustration aspects of male chastity in poetry and art Tannh er as a model for Victorian manhood and masculinity and British imperialism in Holman Hunt s The Light of the World Taken together these essays demonstrate the far reaching effects of the plurality of masculinities that pervade the art and literature of the Pre Raphaelite Brotherhood

Victorians and the Virgin Mary Carol Engelhardt-Herringer, 2013-07-19 This interdisciplinary study of competing representations of the Virgin Mary examines how anxieties about religious and gender identities intersected to create public controversies that whilst ostensibly

about theology and liturgy were also attempts to define the role and nature of women Drawing on a variety of sources this book seeks to revise our understanding of the Victorian religious landscape both retrieving Catholics from the cultural margins to which they are usually relegated and calling for a reassessment of the Protestant attitude to the feminine ideal This book will be useful to advanced students and scholars in a variety of disciplines including history religious studies Victorian studies women s history and gender studies

Recognizing the mannerism ways to get this book **Dandies And Desert Saints Dandies And Desert Saints** is additionally useful. You have remained in right site to start getting this info. acquire the Dandies And Desert Saints Dandies And Desert Saints colleague that we present here and check out the link.
