America's Backyard Grace Livingstone,2013-04-04 The United States has shaped Latin American history condemning it to poverty and inequality by intervening to protect the rich and powerful America s Backyard tells the story of that intervention Using newly declassified documents Grace Livingstone reveals the US role in the darkest periods of Latin American history including Pinochet s coup in Chile the Contra War in Nicaragua and the death squads in El Salvador She shows how George W Bush s administration used the War on Terror as a new pretext for intervention how it tried to destabilise leftwing governments and push back the pink tide washing across the Americas America s Backyard also includes chapters on drugs economy and culture It explains why US drug policy has caused widespread environmental damage yet failed to reduce the supply of cocaine and it looks at the US economic stake in Latin America and the strategies of the big corporations Today Latin Americans are demanding respect and an end to the Washington Consensus Will the White House listen

The Travels of Media and Cultural Products Enrique Uribe-Jongbloed,2023-09-07 This book presents the Cultural Transduction framework as a conceptual tool to understand the processes that media and cultural products undergo when they cross cultural and national borders Using a series of examples from pop culture including films television series video games memes and other digital products this book provides the reader with a wider understanding of the procedures interests roles assumptions and challenges which foster or hinder the travels of media and cultural products Compiling in one single narrative a series of case studies theoretical debates and international examples the book looks at a number of exchanges and transformations enabled by both traditional media trade and the internet It reflects on the increase of cultural products crossing over regional national and international borders in the form of video games and TV formats through music and video distribution platforms or via digital social media networks to highlight discussions about the characteristics of border crossing digital production The cultural transduction framework is developed from discussions in communication and media studies as well as from debates in adaptation and translation studies to map out the travels of media and cultural products from an interdisciplinary perspective It provides a tool to analyse the markets products people and processes that enable or constrain the movement of products across borders for those interested in the practical aspects that underlie the negotiation and transformation of products inserted into different cultural market settings This volume provides a new framework for understanding the travels of cultural products which will be of use to students and scholars in the area of media industry studies business studies digital media studies international media law and economics ,

De-Commemoration Sarah Gensburger,Jenny Wüstenberg,2023-10-13 In the wake of recent protests against police violence and racism calls to dismantle problematic memorials have reverberated around the globe This is not a new

phenomenon however nor is it limited to the Western world De Commemoration focuses on the concept of de commemoration as it relates to remembrance Drawing on research from experts on memory dynamics across various disciplines this extensive collection seeks to make sense of the current state of de commemoration as it transforms contemporary societies around the world

Negret, Sculptor - Homage Carlos Jiménez, 2004 The work of Colombian sculptor Edgar Negret is lovingly portrayed in this homage to the man and six decades of his art The incorporation of aluminum industrial paint and visible assembling techniques in his 1950s works in Mallorca and New York is discussed along with details of his journey across America return to Colombia and artistic approximation of Latin American literature As the panorama of his life and art unfolds the increasing incorporation of pre Colombian mythology in his sculpture is analyzed concluding with a portrayal of the beautiful birds butterflies flowers and toys he created at the final years of his life

WHY THE VICTIMS' LAW APPLIES TO ME Christian Jaramillo, 2014-03 Why the Victims Law Applies to Me is an analysis of Colombian political philosophy based on the author s own experiences and departs from a specific historical context and liberal approach The author presents a new approach to Latin American s and Colombian s realities and denounces the misrepresentations of Colombia s History past and present He also proposes solutions and a development platform to envision a future with optimism Jaramillo reveals the current and past perpetrators of the violence in Colombia denounces the public servants that plunder the country s institutions and relentlessly calls for the need for the State to provide Ethical and Moral education through mandatory school and university programs With his vibrant agile and brilliant writing style the author submerges the reader into the complex subject of Violence Jaramillo presents a coherent and well documented work which will serve as a foundation for future scholars and writers on Colombia s History especially over the last seventy years This book contains many press releases that corroborate all aspects of Jaramillo s observations making it a very up to date book in terms of Colombian current affairs The author includes an extensive bibliography at the end of the book which documents the complex events experienced in Colombia as well as two annexes to clarify the context for the reader
