The Coilhunter Chronicles - Omnibus (Books 1-3) Dean F. Wilson, 2020-02-18 COILHUNTER Welcome to the Wild North a desolate wasteland where criminals go to hide if they can outlast the drought and the dangers of the desert Or the dangers of something else Meet Nox the Coilhunter A mechanic and toymaker by trade a bounty hunter by circumstance He isn't in it for the money He's in it for justice and there's a lot of justice that needs to be paid Between each kill he's looking for someone who has kept out of his crosshairs for quite a while the person who murdered his wife and children The trail has long gone cold but there are changes happening the kind of changes that uncover footprints and spent bullet casings Plagued by nightmares he's made himself into a living one the kind the criminals and common folk fear So welcome fair folk to the Wild North If the land doesn't get you the Coilhunter will RUSTKILLER Welcome to the Rust Valley The Wild

North is full of nasty places but there are some places you just don't go. One of them is that scrapyard desert known as the Rust Valley. It's where vehicles go to die. That's why you don't go in after them. The bounty hunter Nox made a promise to himself that he'd never be caught dead there. Yet when a couple of kids end up wandering inside that metal maze, he finds himself with no other choice. He decks himself out in his finest armour. He'll need it. That land is where the rust-covered Clockwork Commune live and if they don't scavenge the metal off you, they'll scavenge the flesh instead. Nox is used to being called the Coilhunter, but this time he's saddling up with a new, more fitting title: the Rustkiller DUSTRUNNER. Nox is a wanted man. While searching for a criminal, the fabled Coilhunter wanders into a tribal village massacre. He didn't do it, but that doesn't matter. The clues point to him, and he's made a lot of enemies over the years. Many would happily see the tables turned. His pleas of innocence fall on deaf ears. No sooner does he try to find the real killers than posters go up across the Wild North, posters with his face and his name. He isn't the only bounty hunter out there. Dozens assemble to cash him in. Tasked with finding out who's framed him, Nox must also survive the constant onslaught of frontier law. He's used to hunting others. He's not so used to life on the run.

Selections from Virgil's Aeneid Books 1-6 Ashley Carter, 2020-01-23. This reader of Virgil's text features passages from the first half of the Aeneid and is designed to help students understand and appreciate Virgil's poem as well as improve their Latin reading skills. Each Latin passage is accompanied by running vocabulary on page, commentary notes, and targeted questions. The book can be used as a source of one-off unseen passages or as a reader for students working through individual books or the whole poem. The commentary notes explain references to characters, places, and events; provide linguistic and grammatical help on more challenging Latin phrases; and point out stylistic features. The questions test students' comprehension of the characters and storyline and give them practice in handling literary terms. The passages are linked by summaries of the continuing plot so students can grasp the progression of the poem as a whole. An in-depth introduction sets the story of the Aeneid in its mythological, literary, and historical contexts; a glossary of literary devices and sections on style and metre are included. At the end of the book is a complete alphabetical vocabulary list.

Heroic Saga and Classical Epic in Medieval Ireland Brent Miles, 2011. An examination of the ways in which works of Classical literature influenced and were received by the native Irish tradition. Original innovative work which elucidates a number of individual narratives but more significantly by placing these texts in their proper intellectual context, the author demonstrates how the world of learning in eleventh and twelfth century Ireland really worked. He illuminates a world of medieval education and scholarship he tells us as no one has done previously what medieval Irish classicism was all about. Dr M. Irene Mhaonaigh, St John's College, University of Cambridge. The puzzle of Ireland's role in the preservation of classical learning into the middle ages has always excited scholars, but the evidence from the island's vernacular literature, as opposed to that in Latin, for the

study of pagan epic has largely escaped notice In this book the author breaks new ground by examining the Irish texts alongside the Latin evidence for the study of classical epic in medieval Ireland surveying the corpus of Irish texts based on histories and poetry from antiquity in particular Togail Troi the Irish history of the Fall of Troy He argues that Irish scholars study of Virgil and Statius in particular left a profound imprint on the native heroic literature especially the Irish prose epic T in B C ailnge The Cattle Raid of Cooley BRENT MILES is a Fellow in Early and Medieval Irish University College Cork
