Various,2009-07-14 Pulpy smart and scary the stories in Creepy constituted some of the best shortform horror fiction ever told in comics With legendary comics writer editor Archie Goodwin both editing the magazine and crafting most of its storytelling Creepy was at once a newsstand favorite with fright fans and a vaunted showcase of fine comics art for serious fans of the art form For decades the only sources for these stories were the expensive collectible original issues Now Dark Horse is collecting all of the original material from the history of Creepy magazine into a hardcover archive library that is garnering rave reviews from fans and critics alike this superlatively packaged Creepy Archives hardcover is a fine d nouement for fans of EC and comics history Boston Weekly Dig Grab your bleeding glasses and crack open this fourth big volume collecting Creepy issues 16 20 Since the stock is much finer than the authentic newsprint visually these pages are better than the originals with moody dark blacks that punctuate the shock endings Publishers Weekly *Science Fiction Literature through History* Gary Westfahl,2021-07-19 This book provides students and other interested readers with a comprehensive survey of science fiction history and numerous essays addressing major science fiction topics authors works

and subgenres written by a distinguished scholar This encyclopedia deals with written science fiction in all of its forms not only novels and short stories but also mediums often ignored in other reference books such as plays poems comic books and graphic novels Some science fiction films television programs and video games are also mentioned particularly when they are relevant to written texts Its focus is on science fiction in the English language though due attention is given to international authors whose works have been frequently translated into English Since science fiction became a recognized genre and greatly expanded in the 20th century works published in the 20th and 21st centuries are most frequently discussed though important earlier works are not neglected The texts are designed to be helpful to numerous readers ranging from students first encountering science fiction to experienced scholars in the field *The Encyclopedia of Fantastic Film* R. G. Young, 2000-04 Thirty five years in the making and destined to be the last word in fanta film references This incredible 1 017 page resource provides vital credits on over 9 000 films 1896 1999 of horror fantasy mystery science fiction heavy melodrama and film noir Comprehensive cast lists include directors writers cinematographers and composers Also includes plot synopses critiques re title translation information running times photographs and several cross referenced indexes by artist year song etc Paperback **Limiting Outer Space** Alexander C.T. Geppert, 2018-04-18 Limiting Outer Space propels the historicization of outer space by focusing on the Post Apollo period After the moon landings disillusionment set in Outer space no longer considered the inevitable destination of human expansion lost much of its popular appeal cultural significance and political urgency With the rapid waning of the worldwide Apollo frenzy the optimism of the Space Age gave way to an era of space fatigue and planetized limits Bringing together the history of European astroculture and American Soviet spaceflight with scholarship on the 1970s this cutting edge volume examines the reconfiguration of space imaginaries from a multiplicity of disciplinary perspectives Rather than invoking oft repeated narratives of Cold War rivalry and an escalating Space Race Limiting Outer Space breaks new ground by exploring a hitherto underrated and understudied decade the Post Apollo period
