Jim Turner, 2010-05 Why are people drawn to alternative religions that deviate from the norm of Christian beliefs Why do they stay What compels them to cling to a false dogma even in the face of evidence that their beliefs are in error Why do they engage in scriptural gymnastics in defense of beliefs that have no grounding in Christian theology Why do they tolerate abusiveness from charismatic leaders and cede personal freedom Why are they willing to defend these leaders and their institutions to the bitter end After a lifetime of spiritual incarceration Jim Turner began studying the cult mentality in order to better understand his actions He researched religious cults and their practices and traced their teachings throughout history as they found their way into the New Religions His studies have convinced him that there is indeed nothing new under the sun New Religions offer amended ideas that identified past cults Modern cults have extracted beliefs from past groups and added a spin that presents them as original and of course inspired Psychological manipulation plays a significant role in the development and continuation of modern cults but Jim Turner has presented a convincing argument that the psychological condition and willingness of cultists to surrender their freedom to cult leaders and their irrational tendencies to elevate a revered leader to a semi divine level are equally responsible for the advancement of cults Follow the author through the early stages of cult indoctrination the personal abuses he experienced at the hands of the cult his personal choices as he rose through the ranks of the cult and his eventual enlightenment to the deceptiveness of the cult led by Herbert W Armstrong Walk with him out of the darkness of cultic deception into the glorious light of the Grace of God through Jesus Christ [An Undulation of a Shadow's Edge](#) David Hadley, **Dark Places** Derek Hughes, 2001-03 Take a journey to the darker places you would rather not go but are unable to resist Places where reality and fantasy cease to be separate entities Here is a collection of stories that sometimes twist and turn until the final outcome Stories of love and undying devotion exploration and exploitation greed and dark horror Stories that lead across borders and into areas few of us ever have to travel Take a journey into Dark Places *People from the Shadow - That Thing in the Dark* Pasquale De Marco, 2025-05-13 Have you ever wondered what lurks in the shadows What unexplained phenomena occur in the night From the psychological aspects of fear to the unexplained mysteries that surround us this book explores the dark side of our world Within these pages you will find A comprehensive overview of the different types of shadow phenomena from shadow people to hauntings and possessions An exploration of the psychological aspects of fear and how it can affect our minds and bodies A look at the different theories that attempt to explain shadow phenomena from the paranormal to the psychological A discussion of the impact of fear on our society and how we can overcome our fears and embrace the darkness within Whether you are a skeptic or a believer this book will challenge your assumptions and open your mind to the possibility that there is more to the world than we can see Pasquale De Marco takes you on a journey into the unknown exploring the shadows that surround us This book is not for the faint of heart but if you are willing to face your fears and embrace the darkness then this
