Dark Bishop The Complete Serial Series:

Dark Bishop Rachael Brownell, Casey Bond, 2015-03-30 A dangerous game has begun Sydney Her skin felt as soft as it looked I shouldn't have touched her but I couldn't help myself I've been to New Orleans dozens upon dozens of times It's a unique city filled with tourists and superstition And until tonight I'd never been superstitious An old fortuneteller freak stopped me on the way to the diner and said I would make a decision that would change my path She didn't know that I'd walked the path to this very restaurant before It had been a few years Who knew that the decision to return would be blessed with a beauty five foot six with curves in all the right mouth watering places Clothed in cheap polyester stained with God only knew what Sydney was a vision Blonde hair to her waist Big brown doe eyes I could almost taste her In his game everyone's a pawn I didn't miss the rumble of her stomach when I asked her to dine with us She was hungry Something that flashed in those eyes told me it wasn't because she just skipped lunch today Maybe I could meet some of her needs Forget that I could definitely meet her needs but it was up to her to let me So I left her my business card my number Girls like Sydney they're afraid They never make the first move Most never even make the second I doubt she'd call I'd tipped her well not because she was the best waitress I'd ever had not even because she was within my sites I tipped her so that when I came back to the diner she would remember me She would want to serve me And oh would she ever serve me I just have to play my cards right and he's never lost a game *Dark Bishop* is unsuitable for those under the age of eighteen due to adult language and situations It is part of serial series which means that each part consists of approximately 10 20 000 words Each part will build upon the last much like the episodes of a television series It is important to read the parts in order [House of Cards Complete Trilogy](#) Michael Dobbs, 2014-07-01 Get all three books in the series that inspired the hit Netflix series *House of Cards* This blood and thunder tale lifelike and thoroughly cynical certainly carries the ring of authenticity a great triumph Independent The exciting thriller that has Westminster buzzing Here is a political thriller writer with a marvelous inside track knowledge of government *House of Cards* is fast moving revelatory and brilliant Daily Express Michael Dobbs has wowed readers with his bestselling *House of Cards* trilogy which inspired the hit series on Netflix Here are the three books in the trilogy for one low price *House of Cards To Play the King* and *The Final Cut* About the Books in This Bundle 1 *House of Cards* A dark tale of greed corruption and unquenchable ambition *House of Cards* reveals that no matter the country politics intrigue and passion reign in the corridors of power Francis Urquhart has his hand on every secret in politics and is willing to betray them all to become prime minister Mattie Storin is a tenacious young reporter who has a knack for finding the real stories hidden behind the spin When she stumbles upon a scandalous web of intrigue and financial corruption at the very highest levels she vows to reveal the truth But to do so she must battle her own demons and risk everything even her life 2 *To Play the King* After scheming his way to power in *House of Cards* newly elected Prime Minister Francis Urquhart takes on the new King The role of the monarchy in modern Britain comes under scrutiny as Prime Minister Francis Urquhart threatens to expose Royal

secrets when his plans are blocked by the idealistic new King Their differences of opinion quickly degenerate into open hostility The battlefield ranges from architecture to the underprivileged the battle is fought with rigged opinion polls manipulated newspaper headlines sexual scandal and economic brinkmanship as Urquhart sets out to destroy not only the King s family and friends but even the King himself 3 The Final Cut Now Francis Urquhart is about to take his place in the record books as the longest serving Prime Minister this century Yet it seems the public is tiring of him at last and the movement to force him from power is growing But Urquhart is not yet ready to be driven from office If the public demands new blood that is precisely what he will give them This is a different Francis Urquhart more vulnerable more loving and more ruthless than ever He will risk everything but one thing is certain whatever the outcome of this his greatest gamble the name of Francis Urquhart will never be forgotten
