

The image shows a large-scale art installation titled 'Filthy Lucre' by Darren Waterston. It is a reimagining of J.M.W. Turner's 'Rain, Steam, and Great Bridge' and Whistler's 'Peacock Room'. The installation features a large, dark wooden structure with a flat top, resembling a table or a low wall. The structure is heavily distressed, with peeling paint and exposed wood. The background is a wall of tall, narrow, rectangular panels, some of which are painted with blue and white patterns, resembling a stained-glass window. The floor is dark and polished, reflecting the light. The overall atmosphere is one of decay and historical reference.
