C L R James And Creolization Circles Of Influence:

C. L. R. James and Creolization Nicole King, 2007-06 A study that unites James and the individual pieces of his work in the full perspective of his thought C. L. R. James and Creolization Nicole King, 2011-01-01 C L R James 1901 1989 one of the most important intellectuals of the twentieth century expressed his postcolonial and socialist philosophies in fiction speeches essays and book length scholarly discourses However the majority of academic attention given to James keeps the diverse mediums of James s writing separate focuses on his work as a political theorist and subordinates his role as a fiction writer This book however seeks to change such an approach to studying James Defining creolization as a process by which European African Amerindian Asian and American cultures are amalgamated to form new hybrid identities and cultures Nicole King uses this process as a means to understanding James s work and life She argues that throughout his career whether writing a short story or a political history James articulated his attempt to produce revolutionary radical discourses with a consistent methodology James a Trinidad born scholar who migrated to England and then to the United States and who described himself both as a black radical and a Victorian intellectual serves as a definitive model of creolization King argues that James s writings also fit the model of creolization for each is influenced by diverse types of discourses James rarely wrote from within the confines of a single discipline instead choosing to make the layers of history literature philosophy and political theory coalesce in order to make his point As his West Indian and Western European influences converge in his work and life he creates texts that are difficult to confine to a specific category or discipline No matter which writerly medium he uses James was preoccupied with how to represent the individual personality and at the same time represent the community The C L R James that emerges from King s study is a man made more compelling and more human because of his complicated multilayered and sometimes contradictory allegiances *Mixed Bloods and Other Crosses* Betsy Erkkila, 2005 In this series of essays Betsy Erkkila considers the historical and psychological dramas of blood as marker of violence race sex kinship that have stood near the center of American literature culture and politics since the eighteenth century **Beyond C. L. R. James** John Nauright, Alan G. Goble, David K. Wiggins, 2014-11-01 A collection of essays that analyze the interconnections between race ethnicity and sport Marxism, Colonialism, and Cricket David Featherstone, Christopher Gair, Christian Høgsbjerg, Andrew Smith, 2018-10-25 Widely regarded as one of the most important and influential sports books of all time C L R James s *Beyond a Boundary* is among other things a pioneering study of popular culture an analysis of resistance to empire and racism and a personal reflection on the history of colonialism and its effects in the Caribbean More than fifty years after the publication of James s classic text the contributors to *Marxism Colonialism and Cricket* investigate *Beyond a Boundary* s production and reception and its implication for debates about sports gender aesthetics race popular culture politics imperialism and English and Caribbean identity Including a previously unseen first draft of *Beyond a Boundary* s conclusion alongside contributions from James s key collaborator Selma James and from

Michael Brearley former captain of the English Test cricket team **Marxism Colonialism and Cricket** provides a thorough and nuanced examination of James's groundbreaking work and its lasting impact Contributors Anima Adjepong David Austin Hilary McD Beckles Michael Brearley Selwyn R Cudjoe David Featherstone Christopher Gair Paget Henry Christian H gsbjerg C L R James Selma James Roy McCree Minkah Makalani Clem Seecharan Andrew Smith Neil Washbourne Claire Westall

Urbane Revolutionary Frank Rosengarten, 2010-06-30 In *Urbane Revolutionary* C L R James and the Struggle for a New Society Frank Rosengarten traces the intellectual and political development of C L R James 1901-1989 one of the most significant Caribbean intellectuals of the twentieth century In his political and philosophical commentary his histories drama letters memoir and fiction James broke new ground dealing with the fundamental issues of his age colonialism and post colonialism Soviet socialism and western neo liberal capitalism and the uses of race class and gender as tools for analysis The author examines the in depth three facets of James's work his interpretation and use of Marxist Trotskyist and Leninist concepts his approach to Caribbean and African struggles for independence in the 1950s and 1960s and his branching into prose fiction drama and literary criticism Rosengarten analyzes James's previously underexplored relationships with women and with the women's liberation movement The study also scrutinizes James's methods of research and writing Rosengarten explores James's provocative and influential concepts regarding Black liberation in the Caribbean Africa the United States and Great Britain and James's varying responses to revolutionary movements With its extensive use of unpublished letters private correspondence papers books and other documents *Urbane Revolutionary* provides fresh insights into the work of one of the twentieth century's most important intellectuals and activists

Beyond Boundaries Christopher Gair, 2006-03-20 This book brings together leading critics to explore the work of CLR James the world famous Caribbean intellectual An examination of the wide impact that CLR James has had on contemporary thought as a historian novelist cultural and political theorist and activist The authors reinvigorate James's inspiring critical output with particular reference to the impact he has had on cultural studies Examining James overlap with other theorists such as Lacan and Gramsci the book also shows how racial identity and cultural politics are key themes in his work not to mention his unique writings on cricket

Bodies and Bones Tanya L. Shields, 2014-06-02 In *Bodies and Bones* Tanya Shields argues that a repeated engagement with the Caribbean's iconic and historic touchstones offers a new sense of international belonging that brings an alternative and dynamic vision to the gendered legacy of brutality against black bodies flesh and bone Using a distinctive methodology she calls feminist rehearsal to chart the Caribbean's multiple and contradictory accounts of historical events the author highlights the gendered and emergent connections between art history and belonging By drawing on a significant range of genres novels short stories poetry plays public statuary and painting Shields proposes innovative interpretations of the work of Grace Nichols Pauline Melville Fred D Aguiar Alejo Carpentier Edwidge Danticat Aim C saire Marie H l ne Cauvin and Rose Marie Desruisseau She shows how empathetic alliances can challenge both

hierarchical institutions and regressive nationalisms and facilitate more democratic interaction The Greatest Black Achievers in History Sylvia Lovina Chidi, 2014-06-13 This book summarizes the lives of the great black people that have made great contributions to the lives of many Worldwide The book has brief detailed biographies of black activists scientists educators entertainers musicians inventors politicians authors sportsmen women and others who have surpassed the normal to make historical marks on society The biographical account of each individual provides relevant dates events and achievements by the individual There are pictures and excellent drawings that highlight particular moments in history This is one of the greatest pieces of work on black history and it will appeal to everyone including students groups universities libraries schools and anyone interested in history of black people in the World *Creolizing Europe* Encarnación Gutiérrez Rodríguez, Shirley Anne Tate, 2015 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library *Creolizing Europe* critically interrogates creolization as the decolonial rhizomatic thinking necessary for understanding the cultural and social transformations set in motion through trans national dislocations Exploring the usefulness transferability and limitations of creolization for thinking post coloniality raciality and othering not only as historical legacies but as immanent to and constitutive of European societies this volume develops an interdisciplinary dialogue between the social sciences and the humanities It juxtaposes US UK debates on hybridity mixed race and the Black Atlantic with Caribbean and Latin American theorizations of cultural mixing in order to engage with Europe as a permanent scene of douard Glissant s creolization Further through a comparative methodological angle the focus on Europe is broadened in order to understand the role of Europe s colonial past in the shaping of its post migrant and diasporic present Europe thus becomes an expanded and contested term unthinkable without reference to its historical legacies and possible futures While not all the contributions in this volume explicitly address Edouard Glissant s approach to creolization they all engage with aspects of his thinking All of the chapters explore the usefulness transferability and limitations of creolization to the European context As such this edited collection offers a significant contribution and intervention in the fields of European Studies Postcolonial Studies and Cultural Studies on two levels First by emphasizing that race and cultural mixing are central to any thinking about and theorization on of Europe and second by applying Glissant s perspective to a variety of empirical work on diasporic spaces conviviality citizenship aesthetics race racism sexuality gender cultural representation and memory
