

"Extraordinary . . . [an] overwhelming, enthralling biography . . .
a mesmerizing page-turner." —WASHINGTON POST

Call Me Burroughs

A LIFE

BARRY MILES

Call Me Burroughs A Life

Joan Hawkins,Alex Wermer-Colan

Call Me Burroughs A Life:

William S. Burroughs Barry Miles, 2014-02-06 Authoritative biography of cult writer and author of NAKED LUNCH William Burroughs 1914 1997 It has been 50 years since Norman Mailer asserted I think that William Burroughs is the only American novelist living today who may conceivably be possessed by genius This assessment holds true today No one since then has taken such risks in their writing developed such individual radical political ideas or spanned such a wide range of media Burroughs has written novels memoirs technical manuals and poetry he has painted made collages taken thousands of photographs made visual scrapbooks produced hundreds of hours of experimental tapes acted in movies and recorded more CDs than most rock groups Made a cult figure by the publication of NAKED LUNCH Burroughs was a mentor to the 1960s youth culture Underground papers referred to him as Uncle Bill and he ranked alongside Bob Dylan and the Beatles Buckminster Fuller and R D Laing as one of the gurus of the youth movement who might just have the secret of the universe Based upon extensive research this biography paints a new portrait of Burroughs making him real to the reader and showing how he was perceived by his contemporaries in all his guises from icily distant to voluble drunk It shows how his writing was very much influenced by his life situation and by the people he met on his travels around America and Europe He was beneath it all a man torn by emotions his guilt at not visiting his doting mother his despair at not responding to reconciliation attempts from his father his distance from his brother the huge void that separated him from his son and above all his killing of his wife Joan Vollmer

Call Me Burroughs Barry Miles, 2014 Fifty years ago Norman Mailer asserted William Burroughs is the only American novelist living today who may conceivably be possessed by genius Few since have taken such literary risks developed such individual political or spiritual ideas or spanned such a wide range of media Burroughs wrote novels memoirs technical manuals and poetry He painted made collages took thousands of photographs produced hundreds of hours of experimental recordings acted in movies and recorded more CDs than most rock bands Burroughs was the original cult figure of the Beat Movement and with the publication of his novel Naked Lunch which was originally banned for obscenity he became a guru to the 60s youth counterculture In CALL ME BURROUGHS biographer and Beat historian Barry Miles presents the first full length biography of Burroughs to be published in a quarter century and the first one to chronicle the last decade of Burroughs s life and examine his long term cultural legacy Written with the full support of the Burroughs estate and drawing from countless interviews with figures like Allen Ginsberg Lucien Carr and Burroughs himself CALL ME BURROUGHS is a rigorously researched biography that finally gets to the heart of its notoriously mercurial subject

Call Me Burroughs Barry Miles, 2014-01-28 Fifty years ago Norman Mailer asserted William Burroughs is the only American novelist living today who may conceivably be possessed by genius Few since have taken such literary risks developed such individual political or spiritual ideas or spanned such a wide range of media Burroughs wrote novels memoirs technical manuals and poetry He painted made collages took thousands of photographs produced hundreds of hours of experimental

recordings acted in movies and recorded more CDs than most rock bands Burroughs was the original cult figure of the Beat Movement and with the publication of his novel *Naked Lunch* which was originally banned for obscenity he became a guru to the 60s youth counterculture In *Call Me Burroughs* biographer and Beat historian Barry Miles presents the first full length biography of Burroughs to be published in a quarter century and the first one to chronicle the last decade of Burroughs s life and examine his long term cultural legacy Written with the full support of the Burroughs estate and drawing from countless interviews with figures like Allen Ginsberg Lucien Carr and Burroughs himself *Call Me Burroughs* is a rigorously researched biography that finally gets to the heart of its notoriously mercurial subject *On the Avenue of the Mystery* Gary Hentzi,2022-10-21 This volume is a study of eight major novels from the postwar period 1945 65 in conjunction with the films made from them during a later period of a little less than three decades straddling the millennium 1985 2012 The comparison of these novels by Ken Kesey Paul Bowles Carson McCullers Jack Kerouac James Baldwin Alexander Trocchi William Burroughs and Peter Matthiessen with their film adaptations offers the opportunity for a historical reassessment not only of the novelsthemselves but also of the global counterculture of the years 1965 75 which they prefigure in a variety of ways Appearing more than a decade after the waning of the counterculture and in some cases as much as fifty years after the novels on which they are based the films display significant revisions and omissions prompted by the historical and cultural changes of the intervening years Whereas these changes are nowadays often interpreted in purely political terms this book argues that the experience of mystery and its decline is central to the novels and films and is a key feature of the period of cultural transformation that they bookend At once a work of literary criticism film studies and cultural history this book has the potential to reach both an academic audience and the broader readership that has long existed for these novels as well as the even broader one interested in reappraising the period of the global counterculture among the most important of the influences that have shaped the contemporary world Chapters 1 and 2 of this book are freely available as a downloadable Open Access PDFs under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license available at <http://www.taylorfrancis.com> **William S. Burroughs and the Cult of Rock 'n' Roll** Casey Rae,2019-06-11 A history of the writer s impact on some of the biggest names in rock music from the Beatles to Bowie and his role as a secret architect in the genre William S Burroughs s fiction and essays are legendary but his influence on music s counterculture has been less well documented until now Examining how one of America s most controversial literary figures altered the destinies of many notable and varied musicians William S Burroughs and the Cult of Rock n Roll reveals the transformations in music history that can be traced to Burroughs A heroin addict and a gay man Burroughs rose to notoriety outside the conventional literary world his masterpiece *Naked Lunch* was banned on the grounds of obscenity but its nonlinear structure was just as daring as its content Casey Rae brings to life Burroughs s parallel rise to fame among daring musicians of the 1960s 70s and 80s when it became a rite of passage to hang out with the author or to experiment with his cut up techniques for producing

revolutionary lyrics as the Beatles and Radiohead did Whether they tell of him exploring the occult with David Bowie providing Lou Reed with gritty depictions of street life or counseling Patti Smith about coping with fame the stories of Burroughs s backstage impact will transform the way you see America s cultural revolution and the way you hear its music Rae writes with the passion of a teenager discovering new sounds and the control and self assuredness of a seasoned academic William S Burroughs and the Cult of Rock n Roll celebrates not only the gifted mind and bizarre life of a writer who changed literature forever with his magic and ideas it also finally gives him the place he deserves in the pantheon of rock and roll NPR William S Burroughs was as much a quiet rock star as he was an artist or a writer His inroads into audio spoken word and music created paths that we still follow Casey Rae s book is a labor of love that offers a map to understanding Burroughs s complex relationship to music and other art forms Chris Stein co founder of Blondie A fascinating new book Rae is an engaging storyteller and often an enlightening one I m grateful for Rae s study and recommend it highly not only to those still interested in Burroughs and rock music but to anyone curious about the possibilities for creative synergy between the arts Journal of Popular Music Studies

William S. Burroughs Cutting Up the Century Joan Hawkins,Alex Wermer-Colan,2019-05-17 This definitive book on Burroughs decades long cut up project and its relevance to the American twentieth century including previously unpublished works William S Burroughs s Nova Trilogy The Soft Machine Nova Express and The Ticket That Exploded remains the best known of his textual cut up creations but he committed more than a decade of his life to searching out multimedia for use in works of collage By cutting up folding in and splicing together newspapers magazines letters book reviews classical literature audio recordings photographs and films Burroughs created an eclectic and wide ranging countercultural archive This collection includes previously unpublished work by Burroughs such as cut ups of work written by his son cut ups of critical responses to his own work collages on the Vietnam War and the Watergate scandal excerpts from his dream journals and some of the few diary entries that Burroughs wrote about his wife Joan William S Burroughs Cutting Up the Century also features original essays interviews and discussions by established Burroughs scholars respected artists and people who encountered Burroughs The essays consider Burroughs from a range of perspectives literary studies media studies popular culture gender studies post colonialism history and geography A landmark in scholarship Choice

The Last Great Dream Dennis McNally,2025-05-13 McNally masterfully combines many disparate lineages of political social art and pop history into one singular sweeping portrait The result is a stunning vision of a broad and powerful idealism that gripped the world for more than two decades Publishers Weekly starred review From the New York Times bestselling author of A Long Strange Trip and the publicist of the Grateful Dead a riveting social history of everything that led up to the 1960s counterculture movement Few cities represent the countercultural movement of the 1960s more than San Francisco By that decade the Haight Ashbury neighborhood was home to self branded freaks dubbed hippies by the media who created the world s first psychedelic neighborhood an alchemical chamber for social

transformation They rejected a large part of the traditional American identity passing over American exceptionalism consumerism misogyny and militarism in favor of creativity mind body connection peace and love of all things The Last Great Dream is a history of everything that led to the 1960s counterculture when long simmering resistance to American mainstream values birthed the hippie It begins with the San Francisco Poetry Renaissance peaks with the Human Be in in Golden Gate Park and ends with the Monterey Pop Festival that introduced Jimi Hendrix and Janis Joplin to the world It tells of several micro histories including beat poetry visual arts underground publishing electronic contemporary compositional music experimental theater psychedelics and more Fascinating and definitive The Last Great Dream is the ultimate guide to a generation defining countercultural movement an Underground 101 course for newcomers and aficionados alike Bowie, Beckett, and Being Rodney Sharkey, 2024-01-11 Addressing their shared passion for literature art and music this book documents how Samuel Beckett and David Bowie produce extraordinarily empathetic creative outputs that reflect the experience and the effect of alienation Through an exploration of their artistic practices the study also illustrates how both artists articulate shared forms of human experience otherwise silenced by normative modes of representation To liberate these experiences Bowie and Beckett create alternative theatrical musical and philosophical spaces which help frame the power relations of the psychological verbal and material places we inhabit The result is that their work demonstrates how individuals are disciplined by the implicitly repressive social order of late capitalism while simultaneously offering an informed political alternative In making the injunctions of the social order apparent Beckett and Bowie also transgress its terms opening up new spaces beyond the conventional identities of family nation and gender until both artists finally coalesce in the quantum space of the posthuman *The Cambridge Companion to the Beats* Steven Belletto, 2017-02-13 This Companion offers an in depth overview of the Beat era one of the most popular literary periods in America *The American Weird* Julius Greve, Florian Zappe, 2020-10-01 Hitherto classified as a form of genre fiction or as a particular aesthetic quality of literature by H P Lovecraft the weird has now come to refer to a broad spectrum of artistic practices and expressions including fiction film television photography music and visual and performance art Largely under theorized so far The American Weird brings together perspectives from literary cultural media and film studies and from philosophy to provide a thorough exploration of the weird mode Separated into two sections the first exploring the concept of the weird and the second how it is applied through various media this book generates new approaches to fundamental questions Can the weird be conceptualized as a generic category as an aesthetic mode or as an epistemological position May the weird be thought through in similar ways to what Sianne Ngai calls the zany the cute and the interesting What are the transformations it has undergone aesthetically and politically since its inception in the early twentieth century Which strands of contemporary critical theory and philosophy have engaged in a dialogue with the discourses of and on the weird And what is specifically American about this aesthetic mode As the first comprehensive interdisciplinary study of the weird this book not only

explores the writings of Lovecraft Caitl n Kiernan China Mi ville and Jeff VanderMeer but also the graphic novels of Alan Moore the music of Captain Beefheart the television show Twin Peaks and the films of Lily Amirpour Matthew Barney David Lynch and Jordan Peele

The book delves into Call Me Burroughs A Life. Call Me Burroughs A Life is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Call Me Burroughs A Life, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Call Me Burroughs A Life
- Chapter 2: Essential Elements of Call Me Burroughs A Life
- Chapter 3: Call Me Burroughs A Life in Everyday Life
- Chapter 4: Call Me Burroughs A Life in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Call Me Burroughs A Life. This chapter will explore what Call Me Burroughs A Life is, why Call Me Burroughs A Life is vital, and how to effectively learn about Call Me Burroughs A Life.
3. In chapter 2, the author will delve into the foundational concepts of Call Me Burroughs A Life. This chapter will elucidate the essential principles that need to be understood to grasp Call Me Burroughs A Life in its entirety.
4. In chapter 3, this book will examine the practical applications of Call Me Burroughs A Life in daily life. The third chapter will showcase real-world examples of how Call Me Burroughs A Life can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Call Me Burroughs A Life in specific contexts. This chapter will explore how Call Me Burroughs A Life is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Call Me Burroughs A Life. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Call Me Burroughs A Life.
