In this follow up to *The New Early Childhood Professional: A Step By Step Guide to Overcoming Goliath*, the authors share lessons learned from their work with thousands of practitioners. They focus on four Guiding Principles for leading change: the need to respect diverse opinions, to seek equity and to acknowledge the field's strengths while doing the hard work to enhance competence. This book defines each Guiding Principle and examines how it impacts individual practitioners, early childhood programs, public policies and professional systems. It identifies potential asymmetrical conflicts related to the principles to demonstrate the imbalances that exist. Presents a diversity of voices from the field of early care and education. Provides a summary with a bottom line analysis focused on achieving balance. Offers strategies for facing Goliath designed to accelerate a new reality for the field.
