with the critical information you'll need in order to do well on the test: the concepts, procedures, principles, and vocabulary that the Series 7 Test expects you to have mastered before sitting for the exam. Success Strategies, Regulatory Requirements, Customer Accounts, Investment Information and Recommendations, Primary Marketplace, Secondary Market, Market Analysis, Debt Securities, Managed Investments, Retirement Plans, Managed Investments. These sections are full of specific and detailed information that will be key to passing the master D2. Concepts and principles aren't simply named or described in passing but are explained in detail. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answers, and that's another area where our guide stands out. Our test designers have provided test questions to help you know what to expect on the actual Series 7 Test. Each answer is explained in depth in order to make the principles and reasoning behind it crystal clear. We've helped thousands of people pass standardized tests and achieve their education and career goals.
