Disentangling André Jansson, Paul C. Adams, 2021-06-28 Blending philosophy and sociology with media geography *Disentangling* offers a crucial reflection on how we might unravel our digital dependence by reasserting resilient boundaries between ourselves and the surrounding political economic cultural and technological systems *Digital Detox* Trine Syvertsen, 2020-03-30 Against a backdrop of increasingly intrusive technologies Trine Syvertsen explores the digital detox phenomenon and the politics of disconnection from invasive media With a wealth of examples the book demonstrates how self regulation online is practiced and delves into how it has also become an expression of resistance in the 21st century *The Cambridge Handbook of Substance and Behavioral Addictions* Steve Sussman, 2020-08-06 Written by leaders in the addictions field 100 authors from six countries this handbook is a thoroughly comprehensive resource Philosophical and legal issues are addressed while conceptual underpinnings are provided through explanations of appetitive motivation incentive sensitization reward deficiency and behavioral economics theories Major clinical and research methods are clearly mapped out e g MRI behavioral economics interview assessments and qualitative approaches outlining their strengths and weaknesses giving the reader the tools needed to guide their research and practice aims The etiology of addiction at various levels of analysis is discussed including neurobiology cognition groups culture and environment which simultaneously lays out the foundations and high level discourse to serve both novice and expert researchers and clinicians Importantly the volume explores the prevention and treatment of such addictions as alcohol tobacco novel drugs food gambling sex work shopping the internet and several seldom investigated behaviors e g love tanning or exercise *New Communication Approaches in the Digitalized World* Mehmet Serdar Erciş, Enes Emre Başar, 2020-06-04 The collection of essays reviews explores and reports on the state of the digitalized world and a number of communication issues It is a readable non technical publication which offers a comprehensive presentation of communication issues trends data and likely future developments in the digitalized world *Calculus: 1,001 Practice Problems For Dummies (+ Free Online Practice)* Patrick Jones, 2014-08-04 Practice makes perfect and helps deepen your understanding of calculus 1001 Calculus Practice Problems For Dummies takes you beyond the instruction and guidance offered in Calculus For Dummies giving you 1001 opportunities to practice solving problems from the major topics in your calculus course Plus an online component provides you with a collection of calculus problems presented in multiple choice format to further help you test your skills as you go Gives you a chance to practice and reinforce the skills you learn in your calculus course Helps you refine your understanding of calculus Practice problems with answer explanations that detail every step of every problem The practice problems in 1001 Calculus Practice Problems For Dummies range in areas of difficulty and style providing you with the practice help you need to score high at exam time **Recovering the Voice in Our Techno-Social World** Deborah Eicher-Catt, 2020-02-18 Using a communicological perspective *Recovering the Voice in our Techno Social World On the Phone* identifies voice phone in Greek

as the essential medium for a re enchantment of human communication in our highly impersonal techno social environment This book is a response to the growing concern by social critics that we are becoming a de voiced society because of our preferences for hyper textual image based forms of electronic connectivity Ironically while we are increasingly on the phone we are sacrificing our vocality within immediate ear to ear relations Framed by the trope of enchantment Deborah Eicher Catt argues that the immediacy of the sounding voice calls us and enchants us to make possible productive moments of resonance in which we might cultivate an interpersonal resilience in today s fast paced media saturated environment Scholars of media studies communication and sociology will find this book particularly useful **Democracy and Social**

Cleavage in India Suman Nath,2022-03-10 This book explores the emergence of identity politics and violence at the forefront of political life in an Indian state Through a close reading of everyday politics in West Bengal India which until recently boasted of the longest serving elected communist government in the world the volume presents unique observations on Indian politics and its trajectories One of the first ethnographic studies of religious polarisation and its interface with politics in West Bengal this book Offers a fresh perspective both theoretically and empirically by using longitudinal multi site ethnography to explain the mechanisms by which identity issues have re emerged Studies key policy changes political practices and series of invented traditions during periods of political transition Examines intricate details of the micro dynamics of the formulation and expansion of Hindu and Islamic fundamentalism and their political counterparts which carry a capacity to push away secular democratic forces from the existing political spectrum Sheds light on the mechanisms of riots its design organisational bases and mechanisms of spread Includes key observations from the 2021 elections in the state The volume will be of great interest to scholars and researchers of political science social and cultural anthropology sociology and South Asian studies **Social Media in China** Wenbo Kuang,2018-08-29 Redefining the concept of new media in China

this cutting edge book discusses the impact of social media on Chinese public life Examining its characteristics and the different forms of social media such as internet and mobile phone media weibo wechat and micro blogging it considers how public opinion evolves through this media and its interaction with traditional media It also offers a unique analysis of growing new media platforms the challenges of government management and the impact of micro blogging on journalism in China Through quantitative research the book also analyses new media user behavior in China offering a butterfly effect model for public opinion based on new media It also shows the relevance of the sociological Matthew Effect and addresses issues such as the 20 million phenomenon and the Internet Water army Wangluo shuijun groups of Internet ghost writers paid to post specific content online Finally it scrutinizes the the issue of mass disturbance in new media in China researching evolutionary mechanisms and academic models of mass disturbance through a series of case studies Written by a leader in the field of Chinese new media this book constitutes a valuable read to scholars of media and communications studies and all those interested by the development and the increasing impact of new media in China **Individual and Society** Lizabeth A.

Crawford, Katherine B. Novak, 2018-03-09 Unlike other texts for undergraduate sociological social psychology courses this text presents the three distinct traditions in sociological social psychology symbolic interactionism social structure and personality and group processes and structures and emphasizes the different theoretical frameworks within which social psychological analyses are conducted within each research tradition With this approach the authors make clear the link between sociological social psychology theory and methodology Students will gain a better understanding of how and why social psychologists trained in sociology ask particular kinds of questions the types of research they are involved in and how their findings have been or can be applied to contemporary societal patterns and problems This new second edition includes the latest research on topics related to current events and changing societal patterns more detailed discussions on intersectionality social media and contemporary social movements as well as a new concluding chapter that asks students to reflect on what they have learned about sociological social psychology and its applicability to contemporary social issues Engaging exercises and group activities are also embedded within in each chapter to enhance students understanding of key concepts theories methods and research findings within the field and how they relate to everyday life **Now Media**

Norman J. Medoff, Barbara K. Kaye, 2025-05-06 Now in its fifth edition this book is one of the leading texts on the evolution of electronic mass communication in the last century giving students a clear understanding of how the media of yesterday shaped the media world of today Now Media provides a comprehensive view of the development of media and the subsequent advancements into now digital media Each chapter is organized chronologically starting with print radio and television then moving to the now media of today and finally exploring possibilities for the media of the future Topics include the rise of social media uses of personal communication devices the film industry virtual reality digital advertising and the innovations that laid the groundwork for now media This fully updated fifth edition features new chapters on video games and the business of and careers in now media Discussions on rapidly evolving now media stakeholders such as influencers and YouTubers are included and attention is paid to AI throughout the book This book remains a key text and trusted resource for students and scholars of digital mass communication and communication history alike
