Assignment Moscow James Rodgers,2020-06-25 The story of western correspondents in Russia is the story of Russia's attitude to the west. Russia has at different times been alternately open to western ideas and contacts cautious and distant or for much of the twentieth century all but closed off. From the revolutionary period of the First World War onwards correspondents in Russia have striven to tell the story of a country known to few outsiders. Their stories have not always been well received by political elites audiences and even editors in their own countries but their accounts have been a huge influence on how the West understands Russia. Not always perfect at times downright misleading they have overall been immensely valuable. In **Assignment Moscow** former foreign correspondent James Rodgers analyses the news coverage of Russia throughout history from the coverage of the siege of the Winter Palace and a plot to kill Stalin to the Chernobyl explosion and the Salisbury poison scandal.

of Malcolm Muggeridge Malcolm Muggeridge,2003 Excerpts drawn from books essays journalism broadcasts scripts diaries and letters 1926 1986 *Chronicles of Wasted Time, Vol 1* Malcolm Muggeridge,1972 *The Heaven Promise* Scot McKnight,2016-11-15 Heaven Eternity The Afterlife When you mention any of these concepts people of all ages and from all walks of life are certain to have opinions. How can we know for sure what heaven will be like? According to New Testament scholar and popular author Scot McKnight all we need to do is turn to Scripture to answer our questions. McKnight helps you examine God's Word in order to discover what awaits you on the other side of the grave and find answers to the most frequently asked questions regarding heaven including 1 What about Near Death Experiences 2 What about Rewards in Heaven 3 Who Will Be in Heaven 4 Is God Fair 5 Will There Be Families in Heaven 6 What about Children Who Die 7 What about Cremation 8 What about Purgatory 9 Will There Be Pets in Heaven 10 Why Believe in Heaven. Heaven isn't the construction of a fairy tale or some mystical narrative. It's very real it's very good and it's very much the fulfillment of God's promise to you.

The Gospel and the Mind Bradley G. Green,2010-11-03 History demonstrates that wherever the cross is planted the academy follows. But history alone cannot demonstrate why this is and must be the case. Green engages theology and philosophy to prove that the Christian vision of God mankind and the world provides the necessary precondition for and enduring foundation of meaningful intellectual life. The Gospel and the Mind deeply rooted in Augustinian and Reformed thought shows that core principles of the West's Christian inheritance such as creation and the importance of history the centrality of a telos to all things and the logos and the value of words form the matrix of any promising and sustainable intellectual life. More than a lament of the state of the evangelical mind or even an argument for the primacy of a Christian worldview The Gospel and the Mind is a paradigm shifting declaration that the life of the mind starts at the cross.
