COURTESANS
& FISHCAKES

"Richly particular, stuffed with juicy tidbits
and meaty detail; Davidson relishes the
tastes and smells and textures of ancient
Athens. . . . A brilliant and original book."

NEW YORK TIMES BOOK REVIEW

JAMES
DAVIDSON

Courtesans And Fishcakes The Consuming Passions Of Classical Athens

**George Boys-Stones, Barbara
Graziosi, Phiroze Vasunia**

Courtesans And Fishcakes The Consuming Passions Of Classical Athens:

Courtesans & Fishcakes James N. Davidson,1997

Courtesans and Fishcakes James Davidson,2015-03-03

Davidson's concern is with ancient appetites food drink and sex in classical Athens He presents a superior class of hedonist Peter Parsons London Review of Books The lifestyle of the classical Greeks often seems disappointingly modest when compared to those of other legendary civilizations Where are the marble floors the pillared halls the gilded rooms Even the Athenians the richest and most powerful of the Greeks were said by one contemporary to dress no better than slaves Athenians however were as skilled at spending as their playwrights were at devising tragedies Vast estates vanished overnight squandered not on material luxury but on eating drinking and sex ephemeral pleasures that left no monuments but are recounted in numerous ancient texts Much of what they describe seems familiar the pleasures of wine the dangers of seduction a mouthwatering plate of squid but some stories are more puzzling savages on the shores of the Persian Gulf who live off bread made of fish flour Alexander the Great drinks a toast that kills him Socrates interrogates a beautiful woman who lives in luxury with no obvious means of support James Davidson masterfully unravels these strange anecdotes casting new light not only on ancient pleasures but on the Ancient World as a whole Full of intriguing detail and perspicacious insight *Courtesans and Fishcakes* takes swipe at the old scholarship Freud Nietzsche Foucault and lays the groundwork for the new delivering a fascinating and engagingly written study of the hedonism that ruled Athens There could be no better popular history than this Mary Beard Los Angeles Times

The Rhetoric of Conspiracy in Ancient Athens Joseph

Roisman,2006-11-07 The Attic orators whose works are an invaluable source on the social and political history of Classical Athens often filled their speeches with charges of conspiracy involving almost every facet of Athenian life There are allegations of plots against men's lives property careers and reputations as well as charges of conspiracy against the public interest the government the management of foreign affairs and more Until now however this obsession with conspiracy has received little scholarly attention In order to develop the first full picture of this important feature of Athenian discourse Joseph Roisman examines the range and nature of the conspiracy charges He asks why they were so popular and considers their rhetorical cultural and psychological significance He also investigates the historical likelihood of the scenarios advanced for these plots and asks what their prevalence suggests about the Athenians and their worldview He concludes by comparing ancient and modern conspiracy theories In addition to shedding new light on Athenian history and culture his study provides an invaluable perspective on the use of conspiracy as a rhetorical ploy *A Companion to Aristophanes* Matthew C. Farmer,Jeremy B. Lefkowitz,2024-03-01 Provides a comprehensive and systematic treatment of the life and work of Aristophanes *A Companion to Aristophanes* provides an invaluable set of foundational resources for undergraduates graduate students and scholars alike More than a basic reference text this innovative volume situates each of Aristophanes surviving plays within discussion of key themes relevant to the study of the Aristophanic corpus Throughout the Companion

an international panel of contributors incorporates material culture and performance context offers methodological and theoretical insights into the study of Aristophanes demonstrates the relevance of Aristophanes to modern life and more Each chapter focused on a particular play is paired with a theme that is exemplified by that play such as gender sexuality religion ritual and satire With an emphasis on understanding Greek comedy and its ancient Athenian context the text includes approaches to Aristophanes through criticism performance translation and teaching to encourage and inform future work on Greek comedy Illustrating the vitality of contemporary engagement with one of the world's great literary figures this comprehensive volume Helps new readers and teachers of Aristophanes appreciate the broader importance of each play within the study of antiquity Offers sophisticated analyses of the Aristophanic corpus and its place in literary and cultural history Includes chapters focused on teaching Aristophanes including one emphasizing performance Provides detailed syllabi and lesson plans for integrating the material into high school and college curricula A Companion to Aristophanes is an essential resource for advanced students and instructors in Classics Ancient Literature Comparative Literature and Ancient Drama and Theater It is also a must have reference for academic scholars university libraries non specialist Classicists and other literary critics researching ancient drama and sophisticated general readers interested in Aristophanes Greek drama classical Athens or the ancient Mediterranean world *The Oxford Handbook of Hellenic Studies* George

Boys-Stones, Barbara Graziosi, Phiroze Vasunia, 2009-08-20 The Oxford Handbook of Hellenic Studies is a unique collection of some seventy articles which together explore the ways in which ancient Greece has been is and might be studied It is intended to inform its readers but also importantly to inspire them and to enable them to pursue their own research by introducing the primary resources and exploring the latest agenda for their study The emphasis is on the breadth and potential of Hellenic Studies as a flourishing and exciting intellectual arena and also upon its relevance to the way we think about ourselves today Aristophanes and Alcibiades Michael Vickers, 2015-10-16 The conventional view of Aristophanes bristles with problems Important testimony for Alcibiades paramount role in comedy is consistently disregarded and the tradition that masks were made to look like the komodoumenoi so that before an actor spoke a word the audience would recognize who was being attacked is hardly ever invoked If these testimonia are taken into account a fascinating picture emerges where the komodoumenoi are based on the Periclean household older characters on Pericles himself younger on Alcibiades Aspasia Pericles mistress and Hipparete Alcibiades wife lie behind many female characters and Alcibiades ambiguous sexuality also allows him to be shown on the stage as a woman notably as Lysistrata There is a substantial overlap between the anecdotal tradition relating to the historical figures and the plotting of Aristophanes plays This extends to speech patterns where Alcibiades speech defect is lampooned Aristophanes is consistently critical of Alcibiades mercurial politics and his works can also be seen to have served as an aide m moire for Thucydides and Xenophon If the argument presented here is correct then much current scholarship on Aristophanes can be set aside **Keeping to the Point in**

Athenian Forensic Oratory Alberto Esu, Edward M Harris, 2025-01-31 When a litigant initiated a lawsuit in Classical Athens he submitted a written plaint to the relevant magistrate This document contained his name the name of the defendant the legal procedure employed and the specific violations of part of the law If the magistrate accepted the plaint the legal charges were read to the court before and after the litigants spoke and the judges swore in their oath to vote only about the charges in the plaint that is whether the defendant had violated a specific law or not In private suits litigants took an oath to keep to the point that is discuss only the legal charges In public cases litigants were under the same obligation This volume examines several Athenian court speeches and show that litigants paid close attention to legal relevance in court Consequently the essays in this volume make the case for integrated approach to rhetoric and law emphasizing an institutional understanding of Athenian forensic oratory

A Companion to Greek and Roman Sexualities Thomas K. Hubbard, 2013-11-21 A Companion to Greek and Roman Sexualities presents a comprehensive collection of original essays relating to aspects of gender and sexuality in the classical world Views the various practices and discursive contexts of sexuality systematically and holistically Discusses Greece and Rome in each chapter with sensitivity to the continuities and differences between the two classical civilizations Addresses the classical influence on the understanding of later ages and religion Covers artistic and literary genres various social environments of sexual conduct and the technical disciplines of medicine magic physiognomy and dream interpretation Features contributions from more than 40 top international scholars

Text & Presentation, 2008

Stratos E. Constantinidis, 2009-03-23 Text Moliere s revolutionary dramaturgy motherhood in Medea Electronovision and Richard Burton s Hamlet and Jose Carrasquillo s all nude production of Macbeth among many others

Sociable Man S. D. Lambert, 2011-12-31 Sociable Man which celebrates the work of Nick Fisher Emeritus Professor of Ancient History at Cardiff University contains essays by leading classicists ancient historians and archaeologists on the theme of ancient Greek social behaviour Fifteen original papers reflect the diversity and the unities in the honorand s interests politics and law Hans van Wees on Solon s law of hybris John K Davies on the biography of a fourth century Athenian politician social values including honour dishonour and hybris Stephen Lambert on honorific inscriptions Lloyd Llewellyn Jones on domestic violence Louis Rawlings on a dog named Hybris James Whitley on victory dedications Douglas Cairns on ransom and revenge in Homer social relations in the Athenian navy Sam Potts gender and power Janett Morgan on gendering of domestic space Sian Lewis on women and tyranny Ruth Westgate on animal imagery in mosaics citizen identity Athenian Robin Osborne on the influence of Attic local environments on citizen formation and Arcadian James Roy on the Arcadian reputation for backwardness and sexuality David Konstan on Alciphron and the invention of pornography Emma Stafford on masturbation The papers will be essential reading for researchers and students of ancient Greek literature history and archaeology The book also includes tributes by Paul Cartledge and P J Shaw respectively on Fisher s place in research and teaching of ancient Greek social history
