TENTH ANNIVERSARY EDITION

Cowboy Ethics What It Takes To Win At Life

James P. Owen, David R. Stoecklein

Cowboy Ethics What It Takes To Win At Life:

Cowboy Ethics James P. Owen, 2015-03-03 Frustrated by an epidemic of misbehavior corporate management teams are going back to the idea that personal character and individual responsibility are the ultimate keys to integrity business just as they were back in the days of the Open Range When first published Cowboy Ethics inspired businesspeople to look to the Code of the West Once they did they discovered that its simple common sense principles can be more effective guides to business leadership than a truckload of corporate mission statements rules and ethics manuals Cowboys are role models because they live by a code says author James P Owen They show us what it means to stand for something and to strive every day to make your actions line up with your beliefs And isn't that as good a definition of integrity as you can find In the years since the book's first publication Ten Principles to Live By have been embraced by scores of companies universities and even a state government This updated Anniversary hardcover edition traces the evolution of this grassroots business movement in brand new chapters while preserving the inspirational lessons and stunning photography of the original A new introduction traces the rise of the Cowboy Ethics movement while a new epilogue discusses how to live by the code It's ideal for corporate gifts the new graduate business students or any career person who cares about doing the right thing **Cowboy Ethics**

James P. Owen, Brigitte Leblanc, 2014 For the past decade the book Cowboy Ethics What Wall Street Can Learn from the Code of the West has been helping people imagine a different kind of America a melting pot nation that find unity in basic common sense principles of honor loyalty and courage A place where people are measured by their character not their job title the kind of car they drive or the size of their bank account Communities where neighbors help neighbors and a simple handshake is enough to seal a deal Now in this special tenth anniversary edition noted author and speaker Jim Owens frames his original Ten Principles to Live By with fresh inspiration and a heartfelt call to action In his vision we can all find the hero that lies within And the path that can lead each of us to a better more meaningful life is the same one that leads to a better world Back cover **Cowboy Ethics** James P. Owen, 2015-03-03 A new approach to business ethics is quietly taking hold in

executive suites and corporate boardrooms across America Frustrated by an epidemic of misbehavior at all employee levels management teams are getting back to basics back to the idea that personal character and individual responsibility are the ultimate keys to integrity just as they were back in the days of the Open Range A decade ago the book Cowboy Ethics first inspired businesspeople to look to the Code of the West Once they did they discovered that its simple common sense principles can be more effective guides to business leadership than a truckload of corporate mission statements rules and ethics manuals Cowboys are role models because they live by a code says author James P Owen They show us what it means to stand for something and to strive every day to make your actions line up with your beliefs And isn't that as good a definition of integrity as you can find In the years since the book's Ten Principles to Live By have been embraced by scores of companies universities and even a state government This updated Tenth Anniversary hardcover edition traces the evolution

of this grassroots business movement in brand new chapters while preserving the inspirational lessons and stunning photography of the original It s ideal for corporate gifts the new graduate business students or any career person who cares about doing the right thing

The Ethics of Armed Citizenship Sean Brian,24-10-22 From 2019 various surveys have shown a sustained increase in gun ownership in the United States Estimates of new first time gun owners range from 7 5 million to about 15 million almost 5% of the U S population There is an immediate need for each of these new gun owners to be educated on the issues of proper storage the need for training to become proficient with the weapon and a clear understanding of the legal and ethical issues surrounding self defense Guns implicate fundamental rights and raise issues that are literally matters of life and death The ownership of a gun does not confer the ability to use it properly nor the mindset to possess it safely The solution is not to paternalistically regulate guns out of existence The attempt to do so may prove not only self defeating but dangerous The way forward is a more thoughtful and educated gun owner Drawing on the author s personal experiences of gun ownership and marksmanship this book addresses a wide variety of issues ranging from the ethics of self defense to the legal history of the Second Amendment and the practical considerations necessary to exercise the right to bear arms The Ethics of Armed Citizenship is a guide for gun owners to exercise their rights responsibly and commit to protecting others and for those who research gun ownership to better understand both the philosophical issues behind the right to bear arms in the USA and the practicalities and legalities of gun ownership Cowboy Ethics James P. Owen,David R. Stoecklein,2005-12-01

The Try James P. Owen,2013-06-01 What is it that separates the doers leaders and success stories among us from the dreamers also rans and wannabes To bestselling author James P Owen it s all about having The Try the quality of giving 110 percent to the task or challenge at hand In The Try a dozen true stories of ordinary people who ve done extraordinary things across varied fields of endeavor Owen reveals The Try as a character trait that can be forged in several ways Some of those profiled are driven by a childhood dream or long held ambition Others are fueled by someone else s belief in them an unwavering belief in themselves or the urge to pit themselves against daunting odds Still others find The Try in a life changing moment when they hit rock bottom or come face to face with failure What all high achievers have in common Owen believes is a blend of inner drive focus and determination that pushes them to pursue their goals relentlessly confronting every obstacle and never ever giving up His insightful profiles bring to life new scientific evidence that effort trumps ability Owen provides inspiration that will strike a chord with anyone who has a lofty goal a deep personal ambition or a major challenge to face By connecting the dots in this collection of stories he also delivers practical how to advice for those who want to cultivate The Try in themselves or those they love

The System is Unforgiving Allen F Maxwell,2021-10-05 Allen Maxwell s The System is Unforgiving presents 15 rules that anyone can apply to their current situation for success

Leading the Narrative Mari K Eder,2011-12-15 Leading the Narrative is a primer on the art and science of strategic communication This book covers the foundation of communications strategies as well as solid tactics
