coherence Even the enigmatic ending of Acts intentionally advances Luke's rhetorical purposes Luke's teaching finds its culmination in the ministry of his archetypal missionary the apostle Paul whose missionary journeys are a Lukan masterclass in mission strategy with much to teach about ministry that transforms whole regions McGinnis rejects the traditional dichotomy that Paul is either a missionary or a prisoner and shows that throughout his work Luke depicts suffering as an integral part of the mission seeking to prepare his readers to face opposition of various kinds Missional Acts will help readers approach Acts in innovative ways by reading it through a primary missional lens *Rudiments of Christian History* Michael Petruzzelli, 2021-07-02 *Rudiments of Christian History* An Outline of Persons Events and Teachings is written in the format of an informal outline which presents a summary of some of the major topics of the two thousand year span of Christian history The author provides various interpretations of causal relationships of key events along with insight regarding historical persons who significantly impacted the course of Christian history and a concise explanation of basic Christian teachings and various Christian theologies A wide scope of citations from primary sources and modern and contemporary scholars both Christian and secular provides factual informativeness and in depth insight regarding the events teachings and persons involved in the unfolding of Christian history This volume contains an extensive bibliography and clear and readily accessible reference information to the outside works that are cited *World Christianity and the Unfinished Task* F. Lionel Young, III, 2021-03-15 This book is a short introduction to one of the most remarkable transformations in the modern world that many people still do not know about In 1900 more than 80 percent of the world's Christians lived in Europe and North America and nearly all of the world's missionaries were sent out from the West to the rest In a dramatic turn of events Christianity experienced a decidedly Southern shift during the twentieth century Today nearly 70 percent of the world's 2.5 billion Christians live in Africa Asia and Latin America while nearly half of all missionaries are being sent out into all the world from places like Brazil Ethiopia and South Korea This book is intended to change the way readers think about the church and challenge the way the Western Christians engage in contemporary missions **The Yearbook of the United Brethren in Christ for the Year of Our Lord and Savior Jesus Christ ...** ,1906 **The Sociology of Mennonites, Hutterites and Amish** Donovan E. Smucker, 2006-01-01 No detailed description available for *The Sociology of Mennonites Hutterites and Amish* *Sources of the Apostolic Canons* Adolf von Harnack, 1895
