Church and State in France 1300-1907 (Classic Reprint) Arthur Howard Galton, 2015-07-08 Excerpt from Church and State in France 1300 1907 A book on a foreign country by a foreigner might seem to require a two fold apology At any rate it imposes an explanation To begin with the subject here treated is not altogether foreign I aim at describing the relations between the French State and the Court of Rome and the Roman Curia professes to be an international organization Its procedure therefore towards one nation must be studied as a possible precedent for its dealings with another Every State is thus interested in the present quarrel between France and the Vatican and has not only the right but the duty to understand it Such an understanding can only be gained by some knowledge of the past and some guidance for the attainment of this knowledge is all that is attempted in the present essay The writer has no wish to interfere with the internal concerns of our French neighbours and friends or to take any side in their party politics That was the grievous error of our own Tory party in 1793 and grievous penalties were exacted for it not only the penalty of a tremendous and probably an avoidable war but the penalty of reaction and long stagnation in our domestic affairs Parliamentary Reform Roman Catholic Emancipation and a statesmanlike settlement of the Irish Question might have been carried by Pitt before the end of the eighteenth century if our country misled by Burke had not interfered with the domestic policy of the new French Republic Such errors will not be repeated by England and we must hope that the new Germanic Empire which still has so much to learn may take warning by our example About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Athenaeum* James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1907 Athenaeum and Literary Chronicle , 1907 *The Publisher* , 1907 **Books in Print** , 1979 *Religious Books and Serials in Print, 1980-1981* , 1980 *Books in Series* , 1980 *Subject Guide to Books in Print* , 1993 Publishers' Circular and Booksellers' Record of British and Foreign Literature , 1907 Guide to Microforms in Print , 2009
