notes on this adaptation

One of many fairy tales popularized by Disney, elements of the "Cinderella story" are popular and well-known throughout history and different cultures. The earliest recorded version is the story of Yeh-Shen from China, which features a magical fish instead of a Fairy Godmother. The story of Angkat from Cambodia is similar, but has a more bittersweet ending. The famed Brothers Grimm also recorded a version of this story, but *Speakaboos* draws mostly from the Charles Perrault version, which features strong themes of motherhood.
