You Fall In Love Fast And Easy

You fall in 'love' without even thinking if it could just be infatuation. You idealize your partner and set high expectations for them.

You Are Blindfolded In Love

You ignore red flags until you are way ahead in the relationship and overlook problems and issues, believing your love will solve everything. However, you see the problems after you come out of the honeymoon phase.

You Face Love-Bombing

You enter into relationships easily and paint your partner a certain way. Hence, you often find yourself in toxic relationships and are subject to manipulation and false promises.

You End Up In One-Sided Relationships

You open your heart to your partner and give them your 100% without any reciprocation. Hence, you end up in one-sided relationships. Also, you put double the effort assuming that would make your rosy imaginations come true.
