Parenting from Afar and the Reconfiguration of Family Across Distance Maria Rosario T. De Guzman,Jill Rena Brown,Carolyn P. Edwards,2018 An increasing number of families around the world are now living apart from one another subsequently causing the defining and redefining of their relationships roles within the family unit and how to effectively maintain a sense of familial cohesion through distance Edited by Maria Rosario T de Guzman Jill Brown and Carolyn Pope Edwards Parenting From Afar and the Reconfiguration of Family Across Distance uniquely highlights how families both in times of crisis and within normative

cultural practices organize and configure themselves and their parenting through physical separation In this volume readers are given a unique look into the lives of families around the world that are affected by separation due to a wide range of circumstances including economic migration fosterage divorce military deployment education and orphanhood Contributing authors from the fields of psychology anthropology sociology education and geography all delve deep into the daily realities of these families and share insight on why they live apart from one another how families are redefined across long distances and the impact absence has on various members within the unit An especially timely volume *Parenting From Afar and the Reconfiguration of Family Across Distance* offers readers an important understanding and examination of family life in response to social change and shifts in the caregiving context *Daughters of the Bamboo Grove* Barbara

Demick, 2025-05-20 The heartrending story of twin sisters torn apart by China's one child policy and the rise of international adoption from the author of the National Book Award finalist *Nothing to Envy* Excellent entrancing and disturbing Demick is one of our finest chroniclers of East Asia Her characters are richly drawn and her stories often reported over a span of years deliver a rare emotional wallop The New York Times On a warm day in September 2000 a woman named Zanhua gave birth to twin girls in a small hut behind her brother's home in China's Hunan province The twins Fangfang and Shuangjie were welcome additions to her family but also not her first children Living under the shadow of China's notorious one child policy Zanhua and her husband decided to leave one twin in the care of relatives hoping each toddler on their own might stay under the radar But in 2002 Fangfang was violently snatched away The family worried they would never see her again but they didn't imagine she could be sent as far as the United States She might as well have been sent to another world Following stories she wrote as the Beijing bureau chief for the Los Angeles Times Barbara Demick embarks on a journey that encompasses the origins shocking cruelty and long term impact of China's one child rule the rise of international adoption and the religious currents that buoyed it and the exceedingly rare phenomenon of twin separation Today Esther formerly Fangfang lives in Texas and Demick brings to vivid life the Christian family that felt called to adopt her unaware that she had been kidnapped Through Demick's indefatigable reporting will the long lost sisters finally reunite and will they feel whole again A remarkable window into the volatile constantly changing China of the last half century and the long reaching legacy of the country's most infamous law *Daughters of the Bamboo Grove* is also the moving story of two sisters torn apart by the forces of history and brought together again by their families determination and one reporter's dogged work **The Dance**

of Identities John D. Palmer, 2010-10-04 Korean adoptees have a difficult time relating to any of the racial identity models because they are people of color who often grew up in white homes and communities Biracial and nonadopted people of color typically have at least one parent whom they can racially identify with which may also allow them access to certain racialized groups When Korean adoptees attempt to immerse into the Korean community they feel uncomfortable and unwelcome because they are unfamiliar with Korean customs and language *The Dance of Identities* looks at how Korean adoptees dance

or engage with their various identities white Korean Korean adoptee and those in between and beyond and begin the journey toward self discovery and empowerment Throughout the author draws closely on his own experiences and those of thirty eight other Korean adoptees mainly from the U S Chapters are organized according to major themes that emerged from interviews with adoptees Wanting to be like White examines assimilation into a White middle class identity during childhood Although their White identity may be challenged at times for the most part adoptees feel accepted as honorary Whites among their families and friends Opening Pandora s Box discusses the shattering of adoptees early views on race and racism and the problems of being raised colorblind in a race conscious society Engaging and Reflecting is filled with adoptee voices as they discover their racial and transracial identities as young adults During this stage many engage in activities that they believe make more culturally Korean such as joining Korean churches and Korean student associations in college Questioning What I Have Done delves into the issues that arise when Korean adoptees explore their multiple identities and the possible effects on relationships with parents and spouses In Empowering Identities the author explores how adoptees are able to take control of their racial and transracial identities by reaching out to parents prospective parents and adoption agencies and by educating Korean and Korean Americans about their lives The final chapter Linking the Dance of Identities Theory to Life Experiences reiterates for adoptees parents adoption agencies and social justice activists and educators the need for identity journeys and the empowered identities that can result The Dance of Identities is an honest look at the complex nature of race and how we can begin to address race and racism from a fresh perspective It will be well received by not only members of the Korean adoption community and transracial parents but also Asian American scholars educators and social workers

The Transformative Potential of LGBTQ+ Children's Picture Books Jennifer Miller, 2022-05-23 2023 CHOICE Outstanding Academic Title In *The Transformative Potential of LGBTQ Children's Picture Books* Jennifer Miller identifies an archive of over 150 English language children's picture books that explicitly represent LGBTQ identities expressions and issues This archive is then analyzed to explore the evolution of LGBTQ characters and content from the 1970s to the present Miller describes dominant tropes that emerge in the field to analyze historical shifts in representational practices which she suggests parallel larger sociocultural shifts in the visibility of LGBTQ identities Additionally Miller considers material constraints and possibilities affecting the production distribution and consumption of LGBTQ children's picture books from the 1970s to the present This foundational work defines the field of LGBTQ children's picture books thoroughly yet accessibly In addition to laying the groundwork for further research *The Transformative Potential of LGBTQ Children's Picture Books* presents a reading lens critical optimism used to analyze the transformative potential of LGBTQ children's picture books Many texts remain attached to heteronormative family forms and raced and classed models of success However by considering what these books put into the world as well as problematic aspects of the world reproduced within them Miller argues that LGBTQ children's picture books are an essential world making project and seek to usher in a transformed world

as well as a significant historical archive that reflects material and representational shifts in dominant and subcultural understandings of gender and sexuality
