**Secrets of Living : Eternal Fountain of Inspiration in Bhagavad Gita** Rajeev Sachdev, Neeraj Gupta, 2011-05-10 Secrets of Living is based on the teachings of Bhagawad Gita one of the most widely read books in the world In today s busy life we hardly get any time to meditate deeper into the meaning and purpose of life We tend to take certain things for granted such as our status wealth educational achievements etc and also presume that they will be given to us in our next birth But scriptures do not endorse this view All our possessions or the lack of them are the result of our karma in the previous births We rewrite our destiny everyday for our future births Hence we should decide our actions in accordance with the teachings of our scriptures and not allow our materialistic aspirations to distort our understanding and conduct in this world Also one should not wait till the old age to start reading the scriptures The right age to read scriptures is as early as one gets the consciousness so as to minimize the loss of deep illuminating thoughts which an insightful reading of Bhagavad Gita entails and hence engage in righteous actions The divine wisdom of Lord Krishna encapsulated in the Bhagavad Gita is addressed to each and every individual to help solving perplexing problems and progress towards a brighter future

**Welcome to the Spirit World** Sharon Margolis, 2018-08-22 Welcome to the spirit world Allow me to introduce you to the universe of metaphysics Based on my personal experiences this book explains the fundamental concepts of psychic phenomena While in the spirit world my thoughts and emotions were shared first by my friend Ruth and later by others as though we had one mind I felt their fears and desires their awe and adventurous spirit They knew mine as well Yet back in our body we could only communicate through the spoken word We journeyed to the land of the dead danced in the eternal light delved into spirit worlds none of us dreamed existed Specters of the dark side guided us through their realms Shaman in the twilight wolf wilderness Spirit Bird in the Valley Of The Birds Joel the medieval Irishman in the Record Of All Time Ruth and I thought our travels together were wondrous accidents until it happened again and again Each experience was more complex and powerful than the last Our journeys were never planned nor did we discuss beforehand places we had discovered while there alone Neither of us wanted to plant subconscious hints as to where we should go or what we should do But once we were there we led each other to our secret places dimensions and past lives of which the other person had no knowledge This book tells of my experiences on the astral planes with Ruth alone and with other travelers It also includes explanations of metaphysical topics such as astral travel channeling and metaphysical energy This should help you to understand the goings on during my journeys as well as afford you a sound base for further

investigations Take my hand and let us begin our voyage      **Encountering the Secular** J. Heath Atchley, 2009-01-12 The author challenges the breach between the secular and the religious rendering that breach ambiguous Such ambiguity the author affirms is relevant to a time when rigid and simplistic notions of religion and secularity are used to justify thoughtlessness and even violence All too often the secular is thought of either as a triumph in overcoming the presumed irrationality and oppression of religion or as lament in losing the meaning religion is thought once to have offered Atchley suggests a view of the secular as an opportunity to experience an immanent value that is neither controlled by the human self nor conferred by a divine entity      Walt Whitman Review ,1970      **The Education of Oversoul Seven** Jane Roberts, 1973
