Deliverance From Another Place:

Esther Peter H. W. Lau, 2018-09-30 The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible Set in Persia the book of Esther seems to show little interest in the temple the Promised Land prayer or other signs of the Israelite religion Most peculiarly for a book of the Bible there is no explicit mention of God Yet there are many similarities with the setting of Esther and situations in Asia today which open ways for God to speak into present realities This commentary examines the book of Esther in its original context and considers how to interpret and apply it in light of the rest of Scripture both the Old Testament and the New The Book of Hiding Timothy K.

Beal, 2002-01-04 The Book of Hiding offers a fluent and erudite analysis of the parallels between the Bible and contemporary discussions of gender ethnicity and social ambiguity Beal focuses particularly on the traditionally marginalised book of Esther in order to examine closely the categories of self and other in relation to religion sexism nationalism and the ever looming legacies and future possibilities of annihilation Beal applies the critical tools of contemporary theorists such as Cixous Irigaray and Levinas challenging widely held assumptions about the moral and life affirming message of Scripture and even about the presence of God in the book of Esther The Book of Hiding draws together a variety of different perspectives and disciplines creating a unique space for dialogue raising new questions and reconsidering old assumptions which is profoundly interesting and well articulated **Ruth, Esther** Marion Ann Taylor, 2020-09-08 A new commentary for today's

world The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story The first commentary series to do so SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy to use sections designed to help readers live out God's story LISTEN to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear it within the Bible's grand story EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students Ruth Esther The book of Ruth presents a compelling account of how most of us experience God in our everyday lives We see God working indirectly behind the scenes giving us a theology of divine and human cooperation as those who pray for God's blessings participate in answering their own petitions as well as the prayers of others In Esther's story we recognize our own world today often experiencing it as a place where God seems hidden Her book challenges us in unique ways Edited by Scot McKnight and Tremper Longman III and written by a number of top notch theologians The Story of God Bible Commentary series will bring

Women and Exilic Identity in the Hebrew Bible Martien A. Halvorson-Taylor,Katherine E. Southwood,2017-12-28 Notions of women as found in the Bible have had an incalculable impact on western cultures influencing perspectives on

marriage kinship legal practice political status and general attitudes Women and Exilic Identity in the Hebrew Bible is drawn from three separate strands to address and analyse this phenomenon The first examines how women were conceptualized and represented during the exilic period The second focuses on methodological possibilities and drawbacks connected to investigating women and exile The third reviews current prominent literature on the topic with responses from authors With chapters from a range of contributors topics move from an analysis of Ruth as a woman returning to her homeland and issues concerning the foreign presence who brings foreign family members into the midst of a community and how this is dealt with through the intermarriage crisis portrayed in Ezra 9 10 to an analysis of Judean constructions of gender in the exilic and early post exilic periods The contributions show an exciting range of the best scholarship on women and foreign identities with important consequences for how the foreign known is perceived and what that has meant for women through the centuries
