Emotion Online J. Garde-Hansen, K. Gorton, 2013-05-28 Travelling through theories of emotion and affect this book addresses the key ways in which media studies can be brought to bear upon everyday encounters with online cultures and practices The book takes stock of where we are emotionally with regard to the Internet in the context of other screen media

Electronic Media Norman J. Medoff, Barbara Kaye, 2013-03-20 Electronic Media connects the traditional world of broadcasting with the contemporary universe of digital electronic media It provides a synopsis of the beginnings of electronic media in broadcasting and the subsequent advancements into digital media Underlying the structure of the book is a See It Then See It Now See It Later approach that focuses on how past innovations lay the groundwork for changing trends in technology providing the opportunity and demand for change in both broadcasting and digital media FYI and Zoom In boxes point to further information tying together the immediate and long ranging issues surrounding electronic media Career Tracks feature the experiences of industry experts and share tips in how to approach this challenging industry Check out the companion website at <http://www.routledge.com/cw/medoff/9780240812564> for materials for both students and instructors

Music and the Road Gordon E. Slethaug, 2017-12-02 Brian Wilson and The Beach Boys Bob Dylan Bruce Springsteen and Paul Simon these familiar figures have written road music for half a century and continue to remain highly regarded artists But there is so much more to say about road music This book fills a glaring hole in scholarship about the road and music In a collection of 13 essays Music and the Road explores the origins of road music in the blues country western and rock n roll the themes of adventure freedom mobility camaraderie and love and much more in this music the mystique and reality of touring as an important part of getting away from home creating community among performers and building audiences across the country from the 1930s to the present and the contribution of music to popular road films such as Bonnie and Clyde Easy Rider Thelma and Louise and On the Road

Leading the Common Core Initiative Carl A. Harvey II, Linda L. Mills, 2014-11-25 Defining both the Common Core Standards and the school librarian's role in their implementation this book offers ready to use lesson plans and other tools for grades K-5 and identifies opportunities for collaborative teaching As elementary schools in nearly all 50 states are faced with meeting the Common Core State Standards CCSS school librarians need to understand the challenges and have lesson plans ready to help This resource introduces the CCSS in English and mathematics to K-5 librarians and aides helping them to understand the concepts analyzing the impact on the school library and providing lesson plans resources and other tools for implementation in integrated instruction with other curricula and collaborative teaching with other elementary teachers Based upon the authors own experiences in adopting the CCSS in their school the included exemplar lesson plans and ideas are designed to support school librarians as they begin to collaborate with teachers in using the Common Core Standards in their daily classroom instruction The book also discusses the opportunities for advocacy that result from the librarian's instrumental role in implementing the CCSS both as a staff

developer and a collaborative partner teacher *“All-Electric” Narratives* Rachele Dini, 2021-10-07 Winner of the 2023 Emily Toth Award for Best Single Work in Women’s Studies All Electric Narratives is the first in depth study of time saving electrical appliances in American literature It examines the literary depiction of refrigerators vacuum cleaners oven ranges washing machines dryers dishwashers toasters blenders standing and hand held mixers and microwave ovens between 1945 when the all electric home came to be associated with the nation’s hard won victory and 2020 as contemporary writers consider the enduring material and spiritual effects of these objects in the 21st century The appropriation and subversion of the rhetoric of domestic electrification and time saving comprises a crucial but overlooked element in 20th century literary forms and genres including Beat literature Black American literature second wave feminist fiction science fiction and postmodernist fiction Through close readings of dozens of literary texts alongside print and television ads from this period Dini shows how U S writers have unearthed the paradoxes inherent to claims of appliances capacity to give back time to their user transport them into a technologically progressive future or return them to some pastoral past In so doing she reveals literary appliances role in raising questions about gender norms and sexuality racial exclusion and erasure class anxieties the ramifications of mechanization the perils and possibilities of conformity the limitations of patriotism and the inevitable fallacy of utopian thinking while both shaping and radically disrupting the literary forms in which they operated The Institutions Changing Journalism Patrick Ferrucci, Scott A. Eldridge II, 2022-07-21 Bringing together original contributions from a worldwide group of scholars this book critically explores the changing role and influence of institutions in the production of news Drawing from a diverse set of disciplinary and theoretical backgrounds research paradigms and perspectives and methodologies each chapter explores different institutions currently impacting journalism including government bodies businesses technological platforms and civic organisations Together they outline how cracks in the autonomy of the journalism industry have allowed for other types of organizations to exert influence over the manner in which journalism is produced funded experienced and even conceptualized Ultimately this collective work argues for increased research on the impact of outside influences on journalism while providing a roadmap for future research within journalism studies The Institutions Changing Journalism is an invaluable contribution to the field of journalism media and communication studies and will be of interest to scholars and practitioners alike who want to stay up to date with fundamental institutional changes facing in the industry **Digital Media and Innovation** Richard A.
