Clementine Hunter A Sketchbook:

Clementine Hunter . Clementine Hunter, 2014-12-23 This sketchbook from 1945 by renowned Louisiana self taught artist Clementine Hunter contains twenty six previously unseen oil on paper sketches These paintings were the first group of sketches ever made by her and show a very personal and thoughtful depiction of Creole plantation life in the Cane River area of rural Louisiana Richard Gasperi purchased the sketchbook from the Henry family of Melrose Plantation in the early 1970s and instantly felt a deep connection to the work included He decided to keep the sketchbook for himself in hopes of one day sharing this uniquely personal side of Clementine Hunter with the world Clementine Hunter A Sketchbook is the fulfillment of that hope

Using Art to Teach Writing Traits Jennifer Klein, Elizabeth Stuart Whitehead, 2018-11-23 Our purpose for writing this book is so that children can become better communicators by expressing their thoughts feelings and ideas The ability to communicate is a universal goal in society If children can better communicate in their speaking and writing clearer more precise messages will be received and communication around the world will be strengthened The writing traits are a way for teachers and children to discuss and analyze written pieces for strengths and needs in order communicate their thoughts and expresses their ideas through writing in a way that touches their audience Adding art into this established process will allow children to learn about the writing traits in a text free environment before applying the traits to their own writing Children will learn how artists communicate their thoughts feelings and ideas and how the traits that writers use are similar to the traits that artists use in order to better communicate express themselves and process the world around them In addition we will discuss the revision and editing process Art is an exciting and engaging subject for students This book will allow children to transfer their knowledge of how artists use the traits to how writers use the traits and then to how they can utilize the traits in their own writing to better communicate with their audience and process the world around them
