Confessions Of A Tinderella:

Confessions of a Tinderella Rosy Edwards, 2015-05-21 The laugh out loud true story of one girl's experience of life on Tinder Rosy Edwards is the epitome of a contradictory twenty something year old She's frugal when it comes to food shopping but is willing to splash out on shampoo She's career minded she just doesn't know which career to have in mind right now And although she's happy being single a part of her kind of wants a boyfriend So after a few unsuccessful dates with friends of friends read being forced to date their shortest dullest oddest acquaintance she put herself on Tinder the app that has transformed the world of online dating And she soon learns the unspoken rules the hard way always reject a guy with black and white profile pics he is ginger and or ugly is wearing a hat bald has a shot of his torso moron or is not standing beside anything scaleable 5'8 and under And then there are the dates themselves From a sky high dinner date to a borderline drug bust in Chelsea Rosy has experienced it all swinging through her love life on the trapeze of Tinder She falls for the wrong guys ditches the nice ones but can she finally find her happy ending Brilliantly honest and hilariously funny Rosy's story shows us all that the key to a successful love life could just be a swipe away

Hunting Girls Kelly Oliver, 2016-05-24 Katniss Everdeen The Hunger Games Bella Swan Twilight Tris Prior Divergent and other strong and resourceful characters have decimated the fairytale archetype of the helpless girl waiting to be rescued Giving as good as they get these young women access reserves of aggression to liberate themselves but who truly benefits By meeting violence with violence are women turning victimization into entertainment Are they playing out old fantasies institutionalizing their abuse In Hunting Girls Kelly Oliver examines popular culture's fixation on representing young women as predators and prey and the implication that violence especially sexual violence is an inevitable perhaps even celebrated part of a woman's maturity In such films as Kick Ass 2010 The Girl with the Dragon Tattoo 2011 and Maleficent 2014 power control and danger drive the story but traditional relationships of care bind the narrative and even the protagonist's love interest adds to her suffering To underscore the threat of these depictions Oliver locates their manifestation of violent sex in the growing prevalence of campus rape the valorization of woman's lack of consent and the new urgency to implement affirmative consent apps and policies

Intimacy on the Internet Lauren Rosewarne, 2016-04-14 The focus of this book is on the media representations of the use of the Internet in seeking intimate connections be it a committed relationship a hook up or a community in which to dabble in fringe sexual practices Popular culture film narrative television the news media and advertising present two very distinct pictures of the use of the Internet as related to intimacy From news reports about victims of online dating to the presentation of the desperate and dateless the perverts and the deviants a distinct frame for the intimacy Internet connection is negativity In some examples however a changing picture is emerging The ubiquitousness of Internet use today has meant a slow increase in comparatively more positive representations of successful online romances in the news resulting in more positive spin advertising and a more even handed presence of such liaisons in

narrative television and film Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender sexuality technology and the changing mores regarding intimacy

Tinderella Rosy Edwards, 2016-05-16 Nur ein Wisch und der richtige Mann ist da So einfach soll das bei der Dating App Tinder angeblich gehen Rosy findet dass es einen Versuch wert ist Was hat sie schon zu verlieren Single ist sie ja schon Die ungeschriebenen Regeln lernt sie dabei auf die harte Tour kennen Typen die sich mit nacktem Oberkörper auf ihren Profilbildern zeigen sind meist Idioten Ein Match verheißt noch lange keine große Liebesgeschichte Und ein tolles Date hat manchmal keine Fortsetzung Rosy tindert sich trotzdem wacker durchs Leben verliebt sich in die Falschen erkennt die Guten und wischt so lange weiter bis eines Tages etwas ganz und gar Unerwartetes passiert
