Conscience Be My Guide Geoffrey Bould, 2005-08 This remarkable collection of prison literature inspires with the eloquent idealism of prisoners of conscience through the ages The contributors include many of the world's finest writers Wole Soyinka Primo Levi Irina Ratushinskaya Fyodor Dostoyevsky Henry Thoreau There are moving accounts from victims of the Holocaust Soviet labour camps and psychiatric prisons nuclear protestors civil rights and anti apartheid activists anti colonial nationalists and targets of religious persecution throughout history **Follow Your Conscience** Peter

Cajka, 2021-05-05 What is your conscience Is it as Peter Cajka asks in this provocative book A small still voice A cricket perched on your shoulder An angel and devil who compete for your attention Going back at least to the thirteenth century Catholics viewed their personal conscience as a powerful and meaningful guide to align their conduct with worldly laws But as Cajka shows in *Follow Your Conscience* during the national cultural tumult of the 1960s the divide between the demands of conscience and the demands of the law society and even the church itself grew increasingly perilous As growing numbers of Catholics started to consider formerly stout institutions to be morally hollow especially in light of the Vietnam War and the church's refusal to sanction birth control they increasingly turned to their own consciences as guides for action and belief This abandonment of higher authority had radical effects on American society influencing not only the broader world of Christianity but also such disparate arenas as government law health care and the very vocabulary of American culture As this book astutely reveals today's debates over political power religious freedom gay rights and more are all deeply infused by the language and concepts outlined by these pioneers of personal conscience **The Poetical Works of George**

Aikin, 1852 **Select Works of the British Poets, with ... prefaces by Dr. Aikin** John AIKIN (M.D.), 1845 **A Galaxy of Southern Heroes** Orion Theophilus Dozier, 1905 **The Poetical Works of Crabbe, Heber, and Pollok** George

Crabbe, 1853 *Ten Dumb Things Smart Christians Believe* Larry Osborne, 2009-04-14 In this delightfully personal and practical book respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous People don't set out to build their faith upon myths and spiritual urban legends But somehow such falsehoods keep showing up in the way that many Christians think about life and God These goofy ideas and beliefs are assumed by millions to be rock solid truth until life proves they're not The sad result is often a spiritual disaster confusion feelings of betrayal a distrust of Scripture loss of faith anger toward both the church and God But it doesn't have to be so Respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous including Faith can fix anything God brings good luck Forgiving means forgetting Everything happens for a reason A godly home guarantees good kids Get ready to be shocked relieved and inspired in the pages of *Ten Dumb Things Smart Christians Believe* Because the truth is meant to set us free not hurt us **The Poetical Works of Crabbe, Heber, and Pollok** George Crabbe, 1843
