Daughters Of The West Women Of The West:

Daughters of the West Anne Seagraves, 1996 Rough tough and in skirts These turn of the century gals entered a man s world with a vengeance many of them conquering it *Women of the West* Max Binheim, Charles A. Elvin, 1928 *The Gendered West* Gordon Morris Bakken, Brenda Farrington, 2013-09-13 First Published in 2001 This anthology of western history articles emphasizes the New Western History that emerged in the 1980s and adds to it a heavy dose of legal history a field frequently ignored or misunderstood by the New Western historians From first contact American Indians knew that Europeans did not understand the gendered nature of America Confusion regarding the role of women within tribes and bands continued from first contact well into the late nineteenth century The journal articles that follow give readers a true sense of the gendered West Racial and ethnic heritage played a role in female experience whether Hispanic Japanese or Irish Women s work was part western history but women did not confine themselves to plow handles or brothels Women were very much a part of most occupations or in the process of breaking down barriers of access They worked in the fields for wages as well as for family welfare and prosperity Women demanded access to the professions whether teaching or law accounting or medicine The process of eliminating barriers varied in time and space but the struggle was constant Yet the story of women in polygamous Utah or Idaho was different and an integral part of the fabric of western history Because of their beliefs and practices these women suffered at the hands of the federal government and persevered *The Women's West* Susan Armitage, Elizabeth Jameson, 1987 Uses selections from diaries public records letters interviews and fiction to describe the experiences of women in the West including Indians servants waitresses prostitutes and farmers **Western Daughters in Eastern Lands** Rosemary Seton, 2013-01-03 This book provides a compelling narrative history of the experiences and achievements of female British missionaries in China India and Africa during the 19th century and first half of the 20th century the first such account available Despite the fact that by the early 20th century female missionaries began to outnumber their male counterparts there are few publications that document the contributions of women to the missionary movement against a backdrop of civil unrest famine and war *Western Daughters in Eastern Lands* British Missionary Women in Asia provides accurate and insightful information to rectify this glaring omission In this book author Rosemary Seton draws upon memoirs letters diaries and mission records to create a unique and fascinating history of the British women whose sense of vocation took them to the East As most British missionary women of this period were Anglicans Baptists Congregationalists and Methodists the focus is upon Protestant missionaries Catholics are also included however Through these sources a clear picture of women missionaries emerges their social background and motivation their lives on the mission field and their place in mission hierarchies their selection and training and their educational evangelical and medical work The book concludes with an assessment of their achievements and impact on foreign societies *A History of Women in the West: Renaissance and Enlightenment paradoxes* Georges Duby, Michelle Perrot, 1992 Volume III of *A History of*

Women draws a richly detailed picture of women in early modern Europe considering them in a context of work marriage and family At the heart of this volume is woman as she appears in a wealth of representations from simple woodcuts and popular literature to master paintings and as the focal point of a debate sometimes humorous sometimes acrimonious conducted in every field letters arts philosophy the sciences and medicine Against oppressive experience confining laws and repetitious claims about female nature women took initiative by quiet maneuvers and outright dissidence In conformity and resistance in image and reality women from the sixteenth through the eighteenth centuries emerge from these pages in remarkable diversity

Making of the American West Benjamin H. Johnson,2007-05-15 A richly researched evocative account of the individuals and institutions involved in the settling of the non Indian West and of the impact of the development of the West on the nation as a whole Making of the American West surveys the experiences of major social groups in the lands from the Mississippi to the Pacific from the United States penetration of the region in the early 19th century to its incorporation into national political economic and cultural fabric by the early 20th century This revealing volume offers fascinating portraits of the people and institutions that drove the Western conquest traders and trappers ranchers and settlers corporations the federal government as well as of those who resisted conquest or hoped for the emergence of a different society Indian peoples Latinos Asians wage laborers Throughout expert contributors continually return to the growing myth of the West and the impact of its promise of freedom and opportunity on those who sought to Americanize it

Married To A Daughter Of The Land Maria Raquel Casas,2009-03-28 The surprising truth about intermarriage in 19th Century California Until recently most studies of the colonial period of the American West have focused on the activities and agency of men Now historian Mar a Raqu l Casas examines the role of Spanish Mexican women in the development of California She finds that far from being pawns in a male dominated society Californianas of all classes were often active and determined creators of their own destinies finding ways to choose their mates to leave unsatisfactory marriages and to maintain themselves economically Using a wide range of sources in English and Spanish Casas unveils a picture of women s lives in these critical decades of California s history She shows how many Spanish Mexican women negotiated the precarious boundaries of gender and race to choose Euro American husbands and what this intermarriage meant to the individuals involved and to the larger multiracial society evolving from California s rich Hispanic and Indian past Casas s discussion ranges from California s burgeoning economy to the intimacies of private households and ethnically mixed families Here we discover the actions of real women of all classes as they shaped their own identities Married to a Daughter of the Land is a significant and fascinating contribution to the history of women in the American West and to our understanding of the complex role of gender race and class in the Borderlands of the Southwest

Evolution Toward Equality Teresa Neal,2006 A guide through the stories and history of women s rights in the western United States during the 19th and early 20th centuries
