Carousel Industries Layoff:

Business Week, 1994 **Class Meets Land** Dr. Maria Kaika, Luca Ruggiero, 2024-12-03 Class Meets Land reveals something seemingly counterintuitive that nineteenth century class struggles over land are deeply implicated in the transition to twenty first century financial capitalism Challenging our understanding of land financialization as a recent phenomenon propelled by high finance Maria Kaika and Luca Ruggiero foreground 150 years of class struggle over land as a catalyst for assembling the global financial constellation Narrating the close knit histories of industrial land industrial elites and the working class the authors offer a novel understanding of land financialization as a lived process the outcome of a relentless socially embodied historical unfolding in which shifts in land s material economic and symbolic roles impact both local everyday lives and global capital flows **The Routledge Companion to Media Technology and Obsolescence** Mark Wolf, 2018-11-21 While so many books on technology look at new advances and digital technologies The Routledge Companion to Media Technology and Obsolescence looks back at analog technologies that are disappearing considering their demise and what it says about media history pop culture and the nature of nostalgia From card catalogs and typewriters to stock tickers and cathode ray tubes contributors examine the legacy of analog technologies including those like vinyl records that may be experiencing a resurgence Each essay includes a brief history of the technology leading up to its peak an analysis of the reasons for its decline and a discussion of its influence on newer technologies **Michael Pollock's Gaming Industry Observer**, 2000 *Animation Writing and Development* Jean Wright, 2013-07-18 The art The craft The business Animation Writing and Development takes students and animation professionals alike through the process of creating original characters developing a television series feature or multimedia project and writing professional premises outlines and scripts It covers the process of developing presentation bibles and pitching original projects as well as ideas for episodes of shows already on the air Animation Writing and Development includes chapters on animation history on child development writing for kids and on storyboarding It gives advice on marketing and finding work in the industry It provides exercises for students as well as checklists for professionals polishing their craft This is a guide to becoming a good writer as well as a successful one **The Boston Globe Index**, 2001 **The Tyranny of Big Tech** Josh Hawley, 2021-05-04 The reign of Big Tech is here and Americans First Amendment rights hang by a keystroke Amassing unimaginable amounts of personal data giants like Google Facebook Amazon and Apple once symbols of American ingenuity and freedom have become a techno oligarchy with overwhelming economic and political power Decades of unchecked data collection have given Big Tech more targeted control over Americans daily lives than any company or government in the world In The Tyranny of Big Tech Senator Josh Hawley of Missouri argues that these mega corporations controlled by the robber barons of the modern era are the gravest threat to American liberty in decades To reverse course Hawley argues we must correct progressives mistakes of the past That means recovering the link between liberty and democratic participation building an economy that makes the

working class strong independent and beholden to no one and curbing the influence of corporate and political elites Big Tech and its allies do not deal gently with those who cross them and Senator Hawley proudly bears his own battle scars But hubris is dangerous The time is ripe to overcome the tyranny of Big Tech by reshaping the business and legal landscape of the digital world
