Daughter Of The Disgraced King:

Daughter of the Disgraced King Meredith Mansfield, 2015-04-09 Keep your head down Don't draw attention Above all don't make yourself a target Those are the rules seventeen year old Ailsa lives by It's just part of being the daughter of the disgraced ex king and living too close to his more than slightly paranoid successor Ailsa isn't the only one affected by the new king's insecurities The mages backed her father Now the new king's repressive policies drive the mages out of the kingdom and with them the magic that her desert country desperately needs to survive Ailsa sets out to study magic so she can help keep Far Terra green Her plans are nearly upset when her oldest friend Crown Prince Savyon proposes Marrying him would mean giving up her magic Her family history proves that the barons will never accept a mage as queen A year of training won't make her a mage unless she has insanely powerful magic And there's been no sign of that But at least she'll know what she'd be giving up before she makes a decision A magic tinted kiss from Jathan her cheerfully annoying study partner makes her question what she really feels for Savyon She and Jathan could do great things together except that he never wants to go near the desert Are magic and love forever mutually exclusive for Ailsa *Shadow of the King* Helen Hollick, 2010-03-01 They knew what was coming Man and beast knew what lay ahead After the war cry Bitter the grave At long last the peace King Arthur was born to usher in has settled over the realm But Arthur was also born to be a warrior and all true warriors are restless without a fight Yearning for battle and ever loyal Arthur is easily deceived into setting sail for Gaul to defend its territories leaving his country vulnerable and leaderless A beacon of hope in a land of desolation he was to be the Lord of the Summer Land for now and forever But first the Pendragon must face the ultimate test one that will take all his courage strength of will and honor to survive Because once destiny is fulfilled can you ever truly win again Helen Hollick has it all She tells a great story Bernard Cornwell Hollick's interpretation is bold affecting and well worth fighting to defend Publishers Weekly **Be Restored** Warren W. Wiersbe, 2001-10 Taking a closer look at the history of the nation of Israel *Be Restored* examines the importance of obedience to God's commands and trust in His gracious purposes and sovereign plans *Tried Money Changers Apocrypha* Jonathan Kristian Wain, 2019-08-10 An extensive collection of apocrypha divided into Old and New Testaments Some titles are rare and elusive such as Jannes and Jambres Gad the Seer and Psalms of Thomas Some texts are fragmented like the newly discovered Gospel of the Saviour due to the damage sustained by the manuscript The idea of *Tried Money Changers* is to provide the reader with an extensive library of apocrypha in one book Presented in an easy to read format with large text divided into three columns in an A4 size book *The Mughals and the North-East* Sajal Nag, 2023-07-17 There is a perception that the region of north east India maintained its splendid isolation and remained outside the reach of the Mughals and did not have a pre colonial past The present book is an attempt to decenter and demolish the said perceptions and asserts that north east India had a medieval past through linkage with the dominant central power in India the Mughals The eastern frontier of this Mughal Empire was constituted by a number of states like

Bengal Koch Bihar Assam Manipur Dimas Jaintia Cachar Tripura Khasi confederation Chittagong Lushai and the Nagas Of these some areas like Bengal were an integral part of the Mughal Empire while others like Koch Bihar and Assam were in and out of the empire Tripura Manipur Jaintia and Cachar were frequently overrun by the Mughals whenever the State was short of revenue and withdrew soon without incorporating them in the state Despite not being a formal part of the Mughal Empire the society economy polity and culture of the north east India however had been majorly impacted by the Mughal presence The brief but effective advent of the Mughals had supplanted certain political and revenue institutions in various states It generated trade and commerce which linked it to the rest of India A number of wandering Sufi saints Islamic missionaries imprisoned Mughal soldiers and officers were settled in various states which resulted in a substantial Muslim population growth in the region Besides the population there are numerous Islamic and syncretic institutions cultures and shrines which dot the entire region
