

A dramatic, low-key photograph of a person in a dark, textured environment, possibly a cave or a dense forest. The person is wearing a dark hat and a dark jacket, and is holding a long, thin object, possibly a rifle or a staff, which is illuminated by a light source from the right. The background is filled with vertical, textured elements, possibly tree trunks or cave walls, and is lit with a warm, golden light that creates a strong contrast with the dark foreground.

Deserter ,1996 The Deserter Capt Charles King,2005-09 When the morning sun dawns on the picturesque valley in which the cantonment nestled but the day before it illumines an almost deserted village and brings no joy to the souls of some twoscore of embittered civilians who had arrived only the day previous and whose unanimous verdict is that the army is a fraud and ought to be abolished For four months or more some three regiments had been camping scouting roughing it thereabouts with not a cent of pay Then came the wildly exciting tidings that a boat was on the way up the Missouri with a satrap of the pay department vast store of shekels and a strong guard and as a consequence there would be some two thousand men around the cantonment with pockets full of money and no one to help them spend it and nothing suitable to spend it on It was a duty all citizens owed to the Territory to hasten to the scene and gather in for local circulation all that was obtainable of that disbursement otherwise the curse of the army might get ahead of them and the boys would gamble it away among themselves or spend it for vile
