With no money and no skills outside of shaking her booty Jena does the only thing she can do she throws herself into the biggest DIY project the Highlands have ever seen. Since Jena's arrival in town Officer Matt Donaldson's workload has tripled. The woman is a menace gorgeous yes but definitely a few sandwiches short of a picnic. Her only discernible skill seems to be causing chaos wherever she goes. She attracts trouble like honey attracts bears. Which is why Matt isn't surprised when her ex boyfriend turns out to be a member of the New Jersey mob. Although Jena's ex has come to Scotland to win her back she wants nothing to do with him. A reaction the mobster does not take well. Overnight Matt's job morphs from hunting missing cats and breaking up fights at the old folk's home to chasing down the mob and keeping Jena alive. And he's trying to do it all while remaining professional enough to keep his hands off his sexy but crazy American charge. This is book 4 in the Invertry Scottish Highlands series but can be read as a standalone novel. *Can't Tie Me Down* Janet Elizabeth Henderson, 2018-09-25. There aren't many jobs available in the tiny village of Arness Scotland which is why Mairi Sinclair works online as a virtual girlfriend. For a weekly fee she emails messages and sends photos to desk bound geeks around the world. Nothing dodgy mind you she keeps her clothes on. Mairi loves her job because the last thing she wants is to be tied down to one man forever. Life is so much simpler when you can keep men at a distance. And that's why she's upset when her virtual boyfriends start turning up in town. Someone has hacked her online presence and given out her real life address. To make matters worse they've told the world that she's looking for a husband and the first virtual boyfriend to romance her properly will win the role in real life. Mairi needs help to fend off the hordes. She needs help to hide and find out who sold out her details. Fortunately local mechanic and one time boyfriend Keir McKenzie is more than willing to help her for a price. He too wants a chance to win Mairi's heart and tie her down forever. **Caught** Janet Elizabeth Henderson, He wants forever. She just wants his body. Neither of them want to give in. Mitch Harris has it all. As a successful music manager who isn't hard to look at he has women falling at his feet. And that's just the way he likes it. For years he's laughed as one by one his buddies have found their women and settled down. He vowed it would never happen to him. Until he sets eyes on the owner of the town's new spa. Jodie Miller is everything Mitch didn't think he wanted but now desperately needs. She's tough, wicked smart and so damn sexy it hurts to look at her. Mitch isn't sure if it's love at first sight or just plain lust. All he knows is that Jodie is the woman for him and he'll do anything and everything to make her see that they are meant to be together. Jodie Miller was inoculated against relationships when she divorced her ex. She learned the hard way that men might say they

like strong independent women but in reality they'd rather tie themselves to someone who couldn't kick their ass. As a martial arts expert, spa owner, and proud feminist, she's got the T-shirt to prove it. Jodie plans to pour her energy into her business instead of another relationship. She's happy to let Mitch play the part of her sex toy after all she isn't dead and he's hot as hell, but there's no way she's giving him her heart. No matter how dirty he plays to get it. This book comes with a bonus short story *Invertary the finale*.

Ransom Janet Elizabeth Henderson, She's an Oscar nominated actress from a British acting dynasty. He's an Atlantic City MMA fighter who grew up on the streets. Together they're each other's only hope of survival. When a new and power hungry cartel nabs Belinda Collins from her sister's wedding party at an exclusive jungle resort in Peru, John Garcia aka Beast tries to stop the kidnapping only to be taken himself. The couple are transported deep into the Amazon rain forest and a ransom is demanded. The pair know that as soon as their kidnappers realize Beast isn't famous they'll consider him surplus to requirements and kill him. Their only hope is escape. But with no jungle experience between them, running into the rain forest could be just as deadly as taking their chances with their kidnappers. With their friends at Benson Security searching for the pair and the jungle savvy cartel hunting them down, Beast and Belinda have to work together to get out of the rain forest alive before someone or something ensures they never leave at all. This is an 80,000 word

standalone novel with an HEA. **Relentless** Janet Elizabeth Henderson, A missing mummy. A drug cartel. An ex-US Army Ranger. And a woman who's at odds with the world. It's *Relentless*. There's no hiding the fact that Julia Collins has issues. She's shy to the point of trying to become invisible. She has OCD tendencies breaking out in hives if she loses control of her environment. She finds it hard to talk to intimidating men or more accurately to any men. A fact that makes working as the office manager for Benson Security particularly difficult; the company is made up almost entirely of huge intimidating ex-military men. But none of the men affect her the way Joe Barone does. The ex-marine is charming, confident, heroic, and so sexy it hurts to look at him. Everything about Joe intimidates Julia. And that's why when he declares his interest in her, she does the only sensible thing: she hides. There's a limit to how long Joe Barone is going to tolerate Julia hiding. So what if she has a few issues? They don't detract from her many attributes. She's gorgeous, smart, generous, and kind. Which guy wouldn't want a woman like that by his side? So when her grandmother gets arrested in South America, Joe sees a perfect opportunity to show Julia how good they'd be together. Julia needs someone to accompany her to Peru, someone who speaks Spanish and who doesn't crumble in the face of authority. Julia needs Joe. But when they get to Lima, they discover things are much worse than they were led to believe. With danger at every turn and lives on the line, Julia is forced to get past her issues and trust in Joe; her life depends on it.

Goody Two Shoes Janet Elizabeth Henderson, Take one American singer who doesn't believe in falling in love. Josh McInnes' biological clock is ticking, and he wants to get married now. After 20 years singing soppy love songs, he knows that there is no such thing as romantic love. There's only hormones and lust. At thirty-five, he's tired of his playboy lifestyle. He wants a wife who isn't interested in fame, money or romance. A sensible wife who values commitment. He wants a partnership, a friendship, and none of the craziness that goes with falling in love. When an American stranger approaches Caroline with a marriage proposal that resembles a business contract, she quickly accepts. She doesn't expect romance. But she does expect to control each and every detail of their lives together. Because as life has taught her, if you aren't in control, bad things happen and you get romance. Invertary style. Josh and Caroline learn the hard way that falling in love isn't something you can avoid. And it definitely isn't something you can control. Their well-laid plans are about to degenerate into chaos as they fall in love the Scottish way.
