Caesars Messiah The Roman Conspiracy To Invent Jesus:

Caesar's Messiah Joseph Atwill, 2005 *Caesar's Messiah* a real life Da Vinci Code presents the dramatic and controversial discovery that the conventional views of Christian origins may be wrong Author Joseph Atwill makes the case that the Christian Gospels were actually written under the direction of first century Roman emperors The purpose of these texts was to establish a peaceful Jewish sect to counterbalance the militaristic Jewish forces that had just been defeated by the Roman Emperor Titus in 70 A D Atwill uncovered the secret key to this story in the writings of Josephus the famed first century Roman historian Reading Josephus's chronicle *The War of the Jews* the author found detail after detail that closely paralleled events recounted in the Gospels Atwill skillfully demonstrates that the emperors used the Gospels to spark a new religious movement that would aid them in maintaining power and order What's more by including hidden literary clues they took the story of the Emperor Titus's glorious military victory as recounted by Josephus and embedded that story in the Gospels a sly and satirical way of glorifying the emperors through the ages

A Godless Crusade Richard Kradin, 2025-08-12 In the 21st century America has become a polarized nation on the brink of civil war Progressive elites have succeeded in capturing virtually all of America's major institutions and are actively threatening to silence and ostracize conservatives from the public square Many Americans are at a loss to explain how we have arrived at this place *A Godless Crusade* traces the evolution of the culture wars to the rise of secular humanism and secular religion that denies the role of God and revealed morality and seeks to expunge them from society Wokism as the most recent avatar of cultural Marxism represents a direct attack on God and the Judeo Christian

ethic opposing views that will not peacefully be reconciled The Greatest Story Ever Forged (Curse of the Christ Myth)
David Hernandez, 2009-09 Is God fact or fiction This is the question that has been the subject of debate for millennia oftentimes leading to violence as we have seen in the countless religious wars throughout the course of history including the Islamic and Christian wars of today The Greatest Story Ever Forged discusses this question and outlines the fabrications giving birth to these monotheistic religions their early developments and how they have tyrannized the West and Middle East for these many centuries Though there have been many defenders of the faith David Hernandez shows how these religions have infinitely caused more damage to man than any good they have ever been credited for having done This is what he calls the Curse of the Christ Myth which derives from the big lie as propounded by the inventors of the Christ Myth who battled as fiercely among themselves as they did against their detractors or non believers These include everyone from the Jews to the Pagans to the Gnostics to the heretics and any form of infidels in an effort to establish their true religions *The Easter Bunny isn't Real...and Neither is Jesus* Oscar Arias, 2014-06-20 This book explores the true origins of Jesus and the Easter Bunny I deconstruct the possible origins of Jesus and examine the crazy laws and commandments found in the Old Testament of the Bible A great quick read on an atheist's point of view on Easter **Interrogatio Iohannis (The Secret Book of the Cathars) and Apokryphon Iohannis (The Secret Book of John)** M.P. Steiner, 2020-02-18 Modern text research shows that biblical tradition often does not at all correspond to real historical events This lessens neither the inner significance of the Bible nor of true Christendom for true Christendom is more than just a religion It is the spiritual Sphere of Life that embraces all Worlds with all their Mysteries Some results of modern research as collected and presented here in a dense form clearly contradict canonical narratives and might provoke different reactions from condescending shaking of heads to appalled outcries But neither will diminish their validity After 2000 years of nominal Christianity it is now time to animate truly spiritual Christendom This new Christendom is on one side a renewal of the classical antique Mysteries with the Christ Jesus as the last and greatest Avatar of the Sun Spirit descended to Earth as the Redeemer of the World and on the other a complete renewal of religious thinking and feeling of humans everyone now being summoned to realize their potential microcosmic Cristos in today's spiritual freedom with its world wide new paradigmata The two texts published here in best possible accuracy are especially important because combined with a deeply founded introduction they at last publicly present the world of faith of the true Arch Christians of the first centuries and their comprehension of events from Bethlehem to Golgotha Based on said insights the book here in hand undertakes to define a new Christendom for a new Era A Christendom that must not just be believed in sheepish obedience but lived out of mature consciousness and in a daily effort of every single human Its purpose is to encourage a large number of people to experience this new Light Truth and Life Numerous book references many in part extensive notes and a number of full page images show the credibility of the new view and enlarge the usual dogmatic picture A book that read in a leisurely pace and with open soul and heart may bring about new

clarity and a new vivid faith for the old message German edition Same title ISBN 9783907103050 *Studies in the Historical Jesus* Justin J. Meggitt, 2023-08-29 *Studies in the Historical Jesus* Anarchy Miracles and Madness is a selection of key essays on the historical figure of Jesus published over the last fifteen years by Justin J Meggitt Each addresses a central question in the study of Jesus and his context from the role of myth in the creation of traditions about him and the historicity of his miracles to the problem of his politics and the reasons for his execution The collection brings fresh perspectives and new data to bear on enduring debates and demonstrates the value of history from below in making sense of the historical Jesus and the world that made him *The Gospel of Mark and the Roman-Jewish War of 66-70 CE* Stephen Simon Kimondo, 2018-07-19 This book interprets Mark's gospel in light of the Roman Jewish War of 66-70 CE Locating the authorship of Mark's gospel in rural Galilee or southern Syria after the fall of Jerusalem and the temple and after Vespasian's enthronement as the new emperor Kimondo argues that Mark's first hearers people who lived through and had knowledge of the important events of the war may have evaluated Mark's story of Jesus as a contrast to Roman imperial values He makes an intriguing case that Jesus' proclamation as the Messiah in the villages of Caesarea Philippi set up a deliberate contrast between Jesus's teaching and Vespasian's proclamation of himself as the world's divine ruler He suggests that Mark's hearers may have interpreted Jesus' liberative campaign in Galilee as a deliberate contrast to Vespasian's destructive military campaigns in the area Jesus's teachings about wealth power and status while on the way to Jerusalem may have been heard as contrasts to Roman imperial values hence the entire story of Jesus may have been interpreted as an anti-imperial narrative

of Self Delusion is about how I came to realize that I had been deluded to believe in the presence of an entity hovering just above my head that the heavy handed church elders assured me was a god I was fifteen years of age and like any gullible teenager I enjoyed the church attention I was getting and all the loot of heaven promised that I could get by faith The well worn pathway to healing through college education and a life of skeptical thinking and reading is explained in the two hour read of my book So please let me share this short autobiographical journey with you that freed me from religious fear and guilt to a life of joyful wonder and discovery
