Resistance Paul Gready,2003-01-01 Writing as Resistance charts the inner workings of apartheid through the encounters imprisonment exile and homecoming that crucially defined its violent reign and ultimate overthrow Author Paul Gready demonstrates the transformative nature of autobiographical narrative as resistance in the context of political struggle This multidisciplinary study addresses a range of important contemporary topics migration postcolonialism globalization nationalism human rights and political democratization among others While informed by the work of South African writers including Breytenbach Coetzee First Krog Modisane and Serote and adding to the literature on the apartheid era this book speaks to all cultures of violence With this important work Gready sheds new light on the relationship between violence and creativity *Mother Jones Magazine* ,1998-09 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

The Czech Republic Rick Fawn,2004-08-02 In separate chapters on history politics economics foreign relations and the new Czech identity this book not only applauds the country s successes since 1993 but also uncovers the frayed edges of this velvet nation

Multicultural Writers from Antiquity to 1945 Alba Amoia,Bettina L. Knapp,2001-10-30 The final decades of the 20th century have seen an explosion of interest in multiculturalism But multiculturalism is more than an awareness of the different cultures comprising contemporary societies For centuries people from around the world have come in contact with cultures other than their own and their exposure to multiple cultures has fostered their creativity and ability to make lasting contributions to civilization The effects of multiculturalism are especially apparent in literature since writers tend to be particularly aware of their environments and record their experiences This reference includes alphabetically arranged entries for more than 100 world writers from antiquity to 1945 who were significantly influenced by cultures other than their own Included are entries for major canonical Ancient and Modern writers of the Western and Eastern worlds Each entry is written by an expert contributor and includes a brief biography a discussion of multicultural themes and contexts a summary of the writer s critical reception and primary and secondary bibliographies By illuminating the shaping influence of multiculturalism on these writers the volume points to the lasting value of multiculturalism in the contemporary world

The Dialectical Tradition in South Africa Andrew Nash,2009-06-16 Exploring the defence and articulation of free speech in South Africa Nash examines Dutch attempts to modernize the legacy of the Enlightenment the existentialism of a generation of Afrikaners during the 1940s and the renewal of Afrikaans literature **Justice and Reconciliation** Andrew Rigby,2001 Rigby Center for the Study of Forgiveness and Reconciliation Coventry U England investigates different

approaches to policing the past from mass purges on one end of the spectrum to collective social amnesia on the other He uses case studies based in Europe Spain Latin America South Africa and Palestine to analyze the advantages and disadvantages of each clarifying the connection between how the past is acknowledged and prospects of a present and future culture of peace c Book News Inc *The Virtues of Exit* Jennet Kirkpatrick,2017-10-03 Successful democracies rely on an active citizenry They require citizens to participate by voting serving on juries and running for office But what happens when those citizens purposefully opt out of politics Exit the act of leaving is often thought of as purely instinctual a part of the human fight or flight response or alternatively motivated by an antiparticipatory self centered impulse However in this eye opening book Jennet Kirkpatrick argues that the concept of exit deserves closer scrutiny She names and examines several examples of political withdrawal from Thoreau decamping to Walden to slaves fleeing to the North before the Civil War In doing so Kirkpatrick not only explores what happens when people make the decision to remove themselves but also expands our understanding of exit as a political act illustrating how political systems change in the aftermath of actual or threatened departure Moreover she reframes the decision to refuse to play along whether as a fugitive slave a dissident who is exiled but whose influence remains or a government in exile as one that shapes political discourse historically and today **Morality's Muddy Waters** George Cotkin,2011-06-06 In the face of an uncertain and dangerous world Americans yearn for a firm moral compass a clear set of ethical guidelines But as history shows by reducing complex situations to simple cases of right or wrong we often go astray In *Morality's Muddy Waters* historian George Cotkin offers a clarion call on behalf of moral complexity Revisiting several defining moments in the twentieth century the American bombing of civilians during World War II the My Lai massacre racism in the South capital punishment the invasion of Iraq Cotkin chronicles how historical figures have grappled with the problem of evil and moral responsibility sometimes successfully oftentimes not In the process he offers a wide ranging tour of modern American history Taken together Cotkin maintains these episodes reveal that the central concepts of morality evil empathy and virtue are both necessary and troubling Without empathy for example we fail to inhabit the world of others with it we sometimes elevate individual suffering over political complexities For Cotkin close historical analysis may help reenergize these concepts for ethical thinking and acting *Morality's Muddy Waters* argues for a moral turn in the way we study and think about history maintaining that even when answers to ethical dilemmas prove elusive the act of grappling with them is invaluable Ibss: Political Science: 1998 Compiled by the British Library of Political and Economic Science,2000-02 Renowned for its international coverage and rigorous selection procedures this series provides the most comprehensive and scholarly bibliographic service available in the social sciences Arranged by topic and indexed by author subject and place name each bibliography lists and annotates the most important works published in its field during the year of 1997 including hard to locate journal articles Each volume also includes a complete list of the periodicals consulted
