Tankard, 1988 Designed for students of mass communication Communication Theories puts the pragmatic uses and applications of communication theory and research into perspective **Mass Media** James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes **Communication Theories** Werner J. Severin, James William Tankard, 1986 **Agenda Setting in a 2.0 World** Thomas J. Johnson, 2013-07-24 This volume explores agenda setting theory in light of changes in the media environment in the 21st century In the decades since the original Chapel Hill study that launched agenda setting research the theory has attracted the interest of scholars worldwide Agenda Setting in a 2.0 World features the work of a new generation of scholars The research provided by these young scholars reflects two broad contemporary trends in agenda setting A centrifugal trend of research in the expanding media landscape and in domains beyond the original focus on public affairs and a centripetal trend further explicating agenda setting's core concepts Social Media and Strategic Communications Hana S. Noor Al-Deen, J. Hendricks, 2013-05-20 Social Media and Strategic Communications provides truly comprehensive and original scholarly research that exhibits the strategic implementation of social media in both advertising and public relations
