Curious The Desire To Know And Why Your Future Depends On It:

Curious Ian Leslie, 2014-08-26 A fun yet provocative look at the importance of staying curious in an increasingly indifferent world Everyone is born curious But only some retain the habits of exploring learning and discovering as they grow older Those who do so tend to be smarter more creative and more successful But at the very moment when the rewards of curiosity have never been higher it is misunderstood and undervalued and increasingly monopolized by the cognitive elite A curiosity divide is opening up In Curious Ian Leslie makes a passionate case for the cultivation of our desire to know Drawing on fascinating research from psychology economics education and business Leslie looks at what feeds curiosity and what starves it and finds surprising answers Curiosity is a mental muscle that atrophies without regular exercise and a habit that parents schools and workplaces need to nurture Filled with inspiring stories case studies and practical advice Curious will change the way you think about your own mental life and that of those around you

Curious Ian Leslie, 2015-06-04 A fascinating multi disciplinary analysis of why curiosity makes the world go round A lovely erudite exploration of what it is that makes us human Independent on Sunday I have no special talents I am only passionately curious Albert Einstein Everyone is born curious But only some retain the habits of exploring learning and discovering as they grow older Which side of the curiosity divide are you on In Curious Ian Leslie makes a passionate case for the cultivation of our desire to know Curious people tend to be smarter more creative and more successful But at the very moment when the rewards of curiosity have never been higher it is misunderstood and undervalued and increasingly practised only by a cognitive elite Drawing on fascinating research from psychology sociology and business Curious looks at what feeds curiosity and what starves it and uncovers surprising answers Curiosity isn't a quality you can rely on to last a lifetime but a mental muscle that atrophies without regular exercise It's not a gift but a habit that parents schools workplaces and individuals need to nurture if it is to thrive Filled with inspiring stories case studies and practical advice Curious will change the way you think about your own mental life and that of those around you
