Curriculum 21 Essential Education For A Changing World Professional Development:

Curriculum 21 Heidi Hayes Jacobs, 2010-01-05 Covers why and how schools must overhaul update and breathe new life into the K 12 curriculum to reflect new technologies in a globalized world *The Principal's Guide to Curriculum Leadership* Richard D Sorenson, Richard D. Sorenson, Lloyd M. Goldsmith, Zulma Y. Méndez, Karen Taylor Maxwell, 2011-01-13 This guide walks headteachers through the curriculum development and renewal process with a focus on integrating standards Includes case studies activities and curriculum models , *Curriculum 21* Heidi Hayes Jacobs, 2010-01-05 What year are you preparing your students for 1973 1995 Can you honestly say that your school's curriculum and the program you use are preparing your students for 2015 or 2020 Are you even preparing them for today With those provocative questions author and educator Heidi Hayes Jacobs launches a powerful case for overhauling updating and injecting life into the K 12 curriculum Sharing her expertise as a world renowned curriculum designer and calling upon the collective wisdom of 10 education thought leaders Jacobs provides insight and inspiration in the following key areas Content and assessment How to identify what to keep what to cut and what to create and where portfolios and other new kinds of assessment fit into the picture Program structures How to improve our use of time and space and groupings of students and staff Technology How it's transforming teaching and how to take advantage of students' natural facility with technology Media literacy The essential issues to address and the best resources for helping students become informed users of multiple forms of media Globalization What steps to take to help students gain a global perspective Sustainability How to instill enduring values and beliefs that will lead to healthier local national and global communities Habits of mind The thinking habits that students teachers and administrators need to develop and practice to succeed in school work and life The answers to these questions and many more make Curriculum 21 the ideal guide for transforming our schools into what they must become learning organizations that match the times in which we live *The Curriculum Mapping Planner* Heidi Hayes Jacobs, Ann Johnson, 2009 This book is designed to help schools deliver effective training in curriculum mapping Creating and using curriculum maps is easy when this in depth resource is used in workshops curriculum means and professional learning communities **The Common Core, an Uncommon Opportunity** Judith K. March, Karen H. Peters, 2014 Because the Common Core requires bold action Why The Common Core an Uncommon Opportunity Why now Because it tackles a largely overlooked component of implementation how to redesign your instructional delivery system K 12 And you'll have to if you don't you'll be subject to the very same failure and frustration so many other districts and schools are experiencing What's more March and Peters describe how to integrate 21st Century Skills at the very same time It will help district leaders Develop structured consistent and organized teaching and learning practices Make district wide infrastructure adjustments for sustained reform Use best practices for sustained achievement and continuous curriculum review **How to Teach Now** William Powell, Ochan Kusuma-Powell, 2011-06-23 In this book William Powell and Ochan Kusuma Powell provide a

practical map to navigate some of today's most complicated instructional challenges How do you help all students succeed when every classroom is in effect a global classroom And what does a successful education look like in a world that is growing smaller and flatter every day Drawing on research and years of experience in international schools the authors identify five critical keys to personalizing learning for students who have wildly different cultural linguistic and academic backgrounds Focus on your students as learners through systematic examination of their cultural and linguistic identities learning styles and preferences and readiness Focus on yourself as a teacher and investigate your own cultural biases preferred teaching style and beliefs and expectations Focus on your curriculum to identify transferable concepts that will be valuable and accessible to all students and further their global competence Focus on your assessments to ensure cultural sensitivity and improve the quality of the formative data you gather Focus on your collegial relationships so that you can effectively enlist the help of fellow educators with different experiences backgrounds skills and perspectives The way to teach now is to focus on your students both as individuals and as members of a multifaceted interdependent community Here you'll learn how to design and deliver instruction that prepares students not just to meet standards but to live and work together in our complicated 21st century world
