Cut Patricia McCormick, 2000 A tingle arced across my scalp The floor tipped up at me and my body spiraled away Then I was on the ceiling looking down waiting to see what would happen next Callie cuts herself Never too deep never enough to die But enough to feel the pain Enough to feel the scream inside Now she s at Sea Pines a residential treatment facility filled with girls struggling with problems of their own Callie doesn t want to have anything to do with them She doesn t want to have anything to do with anyone She won t even speak But Callie can only stay silent for so long *The Tech-Savvy Booktalker* Nancy J. Keane, Terence W. Cavanaugh, 2009 This book includes simple but powerful ideas and instructions for integrating technology into presentations and using booktalks to launch learning across the curriculum For Grades 6 12 Adapted from back cover *The Critical Merits of Young Adult Literature* Crag Hill, 2014-03-05 This examination of the literary effectiveness of young adult literature from a critical research oriented perspective answers two key questions asked by many teachers and scholars in the field Does young adult literature stand up on its own as literature Is it worthy of close study The treatment is both conceptual and pragmatic Each chapter discusses a topical text set of YA novels in a conceptual framework how these novels contribute to or deconstruct conventional wisdom about key topics from identity formation to awareness of world issues while also providing a springboard in secondary and college classrooms for critical discussion of these novels Uncloaking many of the issues that have been essentially invisible in discussions of YA literature these essays can then guide the design of curriculum through which adolescent readers hone the necessary skills to unpack the ideologies embedded in YA narratives The annotated bibliography provides supplementary articles and books germane to all the issues discussed Closing End Points highlight and reinforce cross cutting themes throughout the book and tie the essays together
