Philip Martin McCaulay

Cxc Cape Law Study Guide Multiple Choice:

The British National Bibliography Arthur James Wells, 1979 **Whitaker's Books in Print**, 1998 **The Glannon Guide to Criminal Law** Laurie L. Levenson, 2012

The popular Glannon Guide to Criminal Law is a concise clear effective review of criminal law topics organized around multiple choice questions. Employing a student friendly accessible tone, this text includes brief explanatory text about each topic under discussion followed by one or two multiple choice questions. After each question, the author explains how the correct choice was chosen and clarifies why other options were not correct. A more sophisticated Closer question at the end of each chapter challenges students to stretch their analytical abilities and examine subtle nuances of the topic. Unlike other titles, this approach emphasizes learning the concepts rather than mastering test taking techniques. The author has thoroughly updated the Third Edition and has added numerous new hypotheticals, including many that feature situations involving the Model Penal Code. Hallmark features: Integrates multiple choice questions into a full fledged review of first year criminal law course. Student friendly accessible tone emphasizes concepts of law rather than test taking strategies. Lead up discussion of law in the text prepares students to learn effectively from subsequent questions. Clear explanations of correct and incorrect answers help to clarify nuances in the law. Multiple choice questions are sophisticated but fair, neither too difficult nor unrealistically straightforward. Equally useful to all students regardless of whether they will be tested by multiple choice questions on their exams. Embodies a far more user friendly and interactive approach than other exam preparation aids. A more challenging final question in each chapter, the Closer, illustrates a more sophisticated problem in the area under discussion. Closing Closer questions in the last chapter provide practice and helpful review of concepts in earlier chapters. Valuable exam taking pointers interspersed within the substantive text. The Third Edition of this popular title has been updated throughout and features New Multiple choice questions throughout. New hypotheticals featuring the Model Penal Code, including Model Penal Code Closing Closers.

The Glannon Guide to Criminal Law Laurie L. Levenson, 2014-12-22

The proven Glannon Guide is a user friendly study aid to use throughout the semester as a great supplement to or substitute for classroom lecture. Topics are broken down into manageable pieces and are explained in a conversational tone. Chapters are interspersed with hypotheticals like those posed in the classroom that include analysis of answers to ensure thorough understanding. Additionally, the Closer questions pose sophisticated hypotheticals at the end of each chapter to present cumulative review of earlier topics. More like classroom experiences, the Glannon Guide provides you with straightforward explanations of complex legal concepts, often in a humorous style that makes the material stick. The user friendly Glannon Guide is your proven partner throughout the semester when you need a supplement to or substitute for classroom lecture. The material is broken into small manageable pieces to help you master concepts. Multiple choice questions are interspersed throughout each chapter, not lumped at the end, to mirror the flow of a classroom lecture. Correct and incorrect answers are carefully explained; you learn why they do or do not work. You can rely

on authority the series was created by Joseph W Glannon Harvard educated best selling author of among other legal texts Examples Civil Procedure now in its sixth edition The Closer poses a sophisticated problem question at the end of each chapter to test your comprehension A final Closing Closer provides you practice opportunity as well as a cumulative review of all the concepts from earlier chapters You can check your understanding each step of the way More like classroom experiences these Guides provide straightforward explanations of complex legal concepts often in a humorous style that makes the material stick
