Brown, Pamela E. Gibbons, 2011-11-01 This volume of Global Initiatives for Equity and Social Justice takes a resource perspective toward culture ethnicity and race Its purpose is to foster

global dialog about race and ethnicity with an emphasis on sharing strategies and solutions While one might view problems stemming from racial and ethnic differences as intractable the book s editors and chapter authors wisely and creatively move through and beyond challenges and barriers by highlighting and sharing models programs frameworks and strategies that are making a positive difference Chapters provide examples and discussions relevant to the K 12 levels as well as higher education and professional preparation in fields that include teacher education social work and medical education Chapters grapple with complexities such as tensions among colonization nation building and ethnic identity Chapters explore potentials of information technology for opening access to education and building dialogue across differences Elinor Brown and Pamela Gibbons offer us a much needed volume that with clear recognition of problems of the present and past looks optimistically toward the future

Exploring Teachers in Fiction and Film Melanie Shoffner, 2016-03-31 This book about teachers as characters in popular media examines what can be learned from fictional teachers for the purposes of educating real teachers Its aim is twofold to examine the constructed figure of the teacher in film television and text and to apply that examination in the context of teacher education By exploring the teacher construct readers are able to consider how popular fiction and film have influenced society s understandings and views of classroom teachers Organized around four main themes Identifying with the Teacher Image Constructing the Teacher with Content Imaging the Teacher as Savior The Teacher Construct as Commentary the chapters examine the complicated mixture of fact stereotype and misrepresentation that create the image of the teacher in the public eye today This examination in turn allows teacher educators to use popular culture as curriculum Using the fictional teacher as a text preservice and practicing teachers can examine positive and negative and often misleading representations of teachers in order to develop as teachers themselves

Pedagogy of Humanization Chelda Smith Kondo, 2024-03-30 The purpose of Pedagogy of Humanization Preparing Teachers for Culturally Sustaining Classrooms is to build a critical mass of educators who know how to employ the principles of critical pedagogy in elementary classrooms This includes attention to the various knowledge skills and dispositions required of critical pedagogues in their curricula instruction assessment classroom environment and relationships From Critical Race Theory CRT to restorative justice oriented classroom management the theoretical is made practical Moreover the structure of the book follows the curriculum of a traditional teacher education program making it complementary to any teacher education course The Pedagogy of Humanization is the first book to bring together the practice how and theory what and why of inclusive and asset based teaching In this book a group of teacher educators across disciplines explore their personal and professional identities to reveal the potential for applying each tenet of culturally relevant pedagogy in their respective fields Filled with anecdotes exercises user friendly theories and examples readers will learn how teachers can humanize themselves to have the capacity to be effective teachers of children who have been dehumanized and underserved by traditional teaching and schooling Pre service teachers will read this book so that they can connect the material they study in

teacher education courses to the daily work of being an educator who aims to be justice oriented. However, this is not a foolproof guide or how to manual that could be completed without direct support from mentors and colleagues. Instead, readers will practice the sort of engagement in individual and community growth that ignites the possibility of teaching as a force for social change. In many ways, chapters of the text could be used through a flipped classroom approach whereby faculty invert the typical cycle of content acquisition and application. The book will prove to be a valuable resource as a teaching text in classrooms devoted to critical pedagogy, Critical Race Theory, social justice, and other topics necessary to produce teachers who are prepared to maximize their effectiveness in educating today's students.

Research Anthology on Religious Impacts on Society Management Association, Information Resources, 2020-07-21 Religion is considered by many to be something of the past, but it has a lasting hold in society and influences people across many cultures. This integration of spirituality causes numerous impacts across various aspects of modern life. The variety of religious institutions in modern society necessitates a focus on diversity and inclusiveness in the interactions between organizations of different religions, cultures, and viewpoints. *Research Anthology on Religious Impacts on Society* examines the cultural, sociological, economic, and philosophical effects of religion on modern society and human behavior. Highlighting a range of topics such as religious values, social reforms, and spirituality, this publication is an ideal reference source for religious officials, church leaders, psychologists, sociologists, professionals, researchers, academicians, and students.

Gender and Diversity Issues in Religious-Based Institutions and Organizations Glimps, Blanche Jackson, Ford, Theron, 2015-09-10 As religions grow and evolve, they adapt to their current circumstances with new ideologies, often deviating dramatically from their roots. The variety of religious institutions in modern society necessitates a focus on diversity and inclusiveness in the interactions between organizations of different religions, cultures, and viewpoints. *Gender and Diversity Issues in Religious Based Institutions and Organizations* elucidates the impact of gender identity and race within religious based institutions and organizations. Policymakers, academicians, researchers, government officials, and religious leaders will find this text useful in furthering their research related to inclusiveness and diversity in their respective roles. This essential reference source builds on the available literature on gender and diversity issues in religious based settings and contexts with chapters relating to race relations in the Churches of Christ, the role of women in religious movements in Latin America, gay/straight alliances at religious based colleges and universities, and lessons and insights for religious institutions and faculty.
